Flood Fuddle

Once again the Griffith's Family have agreed to take the pizza orders for the Fuddle. It would be a great help to them if you could order your Pizza between September 6th and the 10th. Their phone number is 34657. We usually start around 6pm and the Pizzas arrive about 7pm.

The fuddle is open to everyone and is a good chance for any new people to the village to meet up with the 'Locals'.

Remember you have to bring your own drinks, and chairs might be helpful if you don't want to stand up all night.

Looking forward to seeing as many as possible of you, in the bottom of the village September 11th.

Assistance with transport for older, disabled and vulnerable people.

Voluntary and Community Services Peaks and Dales is based in King Edward Street, Ashbourne. The organisation is the result of a merger between Volunteer Centre Derbyshire Dales and Volunteer Centre, Buxton.

For 17 years the organisations have been providing transport for older people unable to use public transport. We are very keen to make sure that everyone who needs us knows about us.

The service operates 7 days a week, and can provide volunteer drivers to take people to medical appointments, day care and social events.

If anyone wants to use our service they can phone Lynn/Glynis on 01335 344700 or pop into the office at the above address. We prefer 48 hours notice however we will always try to find a driver if this isn't possible.

We rely heavily on volunteer drivers and would welcome any new people interested in volunteering. Any time is very welcome whether it be an hour or ten.

Whereas every care is taken to ensure unprejudiced and accurate reports, the Editor can accept no responsibility for unintentional errors or views of the contributors.

RESIDENTS CHALLENGED TO BE PORTION SIZE WISE WITH NEW CAMPAIGN

, 'Be Portion Size Wise', urges people to think about whether they're putting too much food on their plates.

Obesity is a growing problem in the UK A new campaign aimed at encouraging people to be healthier by eating less has been launched by Derbyshire County Council.

The six month campaign in Derbyshire is no exception with 66.9% of people now classed as overweight or obese.

Derbyshire County Council's Cabinet Member for Health and Communities Councillor Dave Allen said: "Overeating by just 100 calories a day, which could be the equivalent of just a small chunk of cheese, can lead to an 11lb increase in weight in a year.

"It's also the case that today's serving sizes are often bigger than they were 30 years ago which means we're consuming a lot more calories than we used to, maybe without even realising.

"Many of us have so-called 'portion distortion', where we no longer know what makes a normal portion of food.

"That's why we've launched our new portion control campaign and it all starts with a very simple message - be portion size wise."

The campaign forms part of the ongoing Heart of Derbyshire healthy eating scheme and encourages people to think about how much they're eating.

It then challenges people to take part in a two week #PortionSizeWise portion control challenge with a chance to win healthy eating prizes.

Councillor Allen added: "Portion control is not about stopping eating the foods you love and it's not about fads or complicated diets.

"It's simply about eating less of the foods you already eat.

"Eating a bit less can make a big difference to your weight and your overall health and it's probably not as hard as people think."

To find out more about the campaign, sign up to the Portion Size Wise challenge and get lots of help and advice go to www.derbyshire.gov.uk/portionsizewise

KNIVETON WI

We met at midnight on a dark and stormy night....well, actually it was 7.15pm in the village hall car park. The weather had been dark and stormy during the day but we had been assured by our hostess that it would clear up and it did - just in time for our annual garden party, courtesy of Gill Bates at New House Farm. We sat in the garden enjoying our vittels and sharing our space with two young goslings who obviously hoped we'd be good for some scraps or at the least some entertainment. I don't think we disappointed them as we all had a really good time - thanks again, Gill!

Kniveton WI now has a Facebook page please have a look and give us a 'like'

On the 4th June the National Federation of Women's Institutes held their centenary annual meeting at the Albert Hall in London. Kniveton were fortunate enough to be allocated a place as delegate representing the Dovedale Group of Women's Institutes'. I felt very privileged to be the delegate attending this meeting, what an experience, something always to remember. We had three most inspiring speakers, Lucy Worsley, Baroness Grey-Thompson and Helena Morrissey. Lucy is a historian where her work includes responsibility for the empty royal palaces in London. She gave us a potted history of the beginnings of the Women' Institute. Baroness Grey-Thompson who was a paralympic and now sits in the House of Lords. Tanni gave us her history from being paralyzed when she was 7 years old and her determination to succeed. Our final speaker was Helena who is a very successful businesswoman who also had nine children during this career!

Our highlight in the morning was the arrival of the Queen, Princess Anne and the Countess of Wessex. It was so moving to be singing God Save the Queen in her presence. Of course the singing of Jerusalem was marvellous, sends shivers up your spine!

I met so many truly 'inspiring ladies' coming from Glossop in the north right down to Weston on Trent in the south of the county. Two ladies, who must have been in their 80's, didn't know each other before this event, booked theatre tickets and taxi via the hotel. After the show they couldn't get a taxi, so hired a rickshaw to get back to the hotel. They certainly used their initiative!!

Susan Clarke.

This is what we do best

Clifton Women's Institute is celebrating 100 years of the formation of The Women's Institutes.

Join us for an afternoon of tea and cakes on
12 September 2015 in the Clifton Smith Hall, Clifton
at 2.30 pm til 4.30pm.

It would be lovely to see you all and joining in with the
celebrations

The Get Together Club

Ian Davies was our speaker in April. Ian is a magician and amazed us with his tricks. Ian helped us with the tombola stand at last year's Ashbourne Show and has very kindly offered to help us again this year, he stood alongside us drawimeeting was unable to attend so Angie Holgate very kindly stood in at the last minute. Angie told us all . If you are interested in joining the Foresters please contact Angie.

about the Foresters, why they were set up and how they evolved over the years. We had a very interesting afternoon

We set off for Southport on 25th June. The weather was good so most of us made it to the end of the pier. A free day in Southport meant some could walk on the sea front and others could just go shopping in the lovely shops there.

Mr McLoughlin MP has offered ng in the crowds with his tricks.

The speaker at the May us a day looking around the Houses of Parliament, we only have one place left for this, but if you would like to join us and have a day in London you will be most welcome. We leave Kniveton at 7am on 14th September, book your place with Liz Howe its only £20 per person.

Once again we are having a tombola stand at Ashbourne Show. If you can donate any prizes we would be most grateful. If you are at the show please come and have a go, you might just win a prize. Any prizes to Liz Howe, Sue Lang, Margaret Marriott or Pauline Pilkington before the day please.

We will be welcoming Melanie to our meeting in the village hall on 30th July and Steve Bull on the 13th August both start at 2pm. If you would like to come along to any of our meetings or just on the outings where you will be made most welcome or, have a copy of the programme please contact Liz (346078).

Chapel News

A reminder that on Sunday, **13th September at 2.30 pm** we have planned a Mission Service, to be held in the **Village Hall in Kniveton**. We have invited Rev Chris Eddy, who served for some years in Sierra Leone, and Mr David Bale, to take this service. In case you missed the item in the last issue of Kniveton News, we will learn about work being done in Sierra Leone after the devastating effects of the Ebola outbreak, and how the money donated at our Christmas service is being used. People are working hard to get their lives back on track, including work in the schools. We have been asked if we can help with providing some school materials for the school in Kepia, and we will donate the service collection for this purpose. Please stay after the service for tea and cakes, and chat to Chris and David about their involvement.

Forward notice – our harvest festival service will be on the second Sunday in October at 6.30 pm, with our annual action the next evening in the chapel.

Relief Cleaner Required

Kniveton Village Hall needs a relief cleaner to cover for holidays, illness etc.

KNIVETON PARISH COUNCIL

The meeting of Kniveton Parish Council took place on Tuesday 14th July 2015 and the following items were discussed:-

AUTOMATED EXTERNAL DEFIBRILLATORS (AEDs)

The meeting commenced with a very interesting presentation and demonstration by James Hornby (East Midlands Ambulance Service) and Elliot Frampton on **Automated External Defibrillators** and the benefits of placing AEDs in the community for use in emergencies. If the Parish Council were to consider a scheme for installing defibrillators in Kniveton, the geographical layout of the village would suggest that ideally, two should be installed, one at either end of the village. Councillors would also have to consider the funding of the provision, installation, running costs and maintenance of the defibrillators whether it be through fund raising events, donations, parish council funds or likely a combination of all three. As you, the residents of Kniveton would be the beneficiaries of having the assurance of access to defibrillators in an emergency, councillors would be keen to hear from as many as possible with thoughts and ideas in progressing this project. To this end feel free to speak to one of your councillors or better still, attend the next Parish Council meeting at the Village Hall at 7.00 pm on Tuesday 8th September where **Defibrillators** will be an early item on the agenda.

Public Space Protection Order – We have been informed that the DCC Public Space Protection Order has come into force and requires that 1) dogs are excluded from the enclosed play areas on the Parish Field, 2) dogs are required to be on a lead whilst passing through the Parish Field via the footpath, and 3) dog owners should not allow their pets to foul on the Parish Field. Many thanks in anticipation of your support on this matter.

Broadband Provision – Reported that a company is offering high-speed broadband provision to residents in the top half of the village at competitive prices.

Parish Council Website – In response to recent legislation, we are in the process of building a Parish Council Website for the display and access of information; councillors, agendas, minutes, finance, policies etc. The address is **www.kniveton.net**

Highways – Reported banked verges on Longrose Lane in need of cutting and hedge of property backing onto the raised footway in need of cutting to allow unobstructed passage.

Footpaths Councillors would be pleased to receive any reports of footpath maintenance issues and whilst funds for this work are limited the Parish Council will endeavour to keep local paths in good order.

Finance – Payments and balances to 14th July 2015 were presented and approved by the meeting.

Planning

No planning applications to consider.

Report by PCSO Kate Wakefield – Raised awareness that unauthorised door to door pedlars have been in operation in the area

Date and time of next meeting(s)

Tuesday 8th September – 7.00 pm – (*commencing with JPFC Meeting*)

Tuesday 17th November – 7.00 pm

Please note time of meetings now 7.00 pm

CHURCH NEWS

The annual village boot sale takes place on Bank Holiday Monday from 9am to around noon, Stalls are £5 each with the funds going to the church. There will be refreshments in the village hall and the proceeds from this will go to Christian Aid. Please contact Mollie on 345707 if you would like to donate but can't make the boot sale.

W3Z SUPERFAST WIRELESS BROADBAND HAS ARRIVED IN KNIVETON

If you check out the very detailed website at www.w3z.co.uk you will see that we, Ripley company, Zycomm Electronics Ltd are continuing to step out where BT are failing and fearing to tread. Not only stepping out but GUARANTEEING 20Mb/s, not using the famous 'get out' BT phrase 'up to' ... And at the same time W3Z is now facilitating very low cost telephone services, without expensive BT lines. All this is self financed by Zycomm with non of the Millions of Pounds of Grant being awarded to BT to continue to do their task in the 'established manner'. In May we had a visit from Sajid Javid, the Minister for Culture who was greatly impressed.

In recent months W3Z have moved into many local neglected villages such as Shirley, Rodsley, Wyaston, Atlow and very soon Longford and in other directions, already live, are Fenny Bentley, Parwich, Alstonfield & Wetton, Waterhouses and the Staffordshire Moorlands. Brassington, Carsington, Hopton & Tissington have been live for over 7 years and Superfast for the last 3 years. Brassington incidently is served from Winn Farm (John Bradbury MBE – a good friend to W3Z and Kniveton for many a year).

Now about to become live is the top half of Kniveton. Lester Lowe has given permission to relay our service into the top half of the village from the top of his premises in the same way as Peak Waste allow us to relay our service into Fenny Bentley. From Lester's chimney a great number of chimneys and properties in Kniveton are visible. If you are one of those please go to the website www.w3z.co.uk and sign up for service using the 'sign up for service' button on the lower left section of that Home Page. You can drop out for any reason at any time and you are not in contract until you are provided with W3Z service, but at least we will then see the degree of serious interest expected for our efforts.

For properties in the lower part of your village (Red Lion area) we will need to find a point that is Line of Site to your property and a property that can see Lester Lowes in order that we can establish a further relay point to cover the 'deep south'. Unfortunately there will be some right at the bottom that we are unable to serve but we do not claim to compete with the rules of physics – we do need to have clear line of site or a relay ability. Foxholes Lane will be difficult as it leaves the village until it starts to see our already established Access Point at Mulino Lodge (Agnes Meadow). The lower part of the village will follow the establishment of service in the top of the village for obvious reasons but we will try to avoid too much of a clash between the upArds and downArds!

A little more about the low cost phone service. Take a good look at all the pages and plans offered by www.vonage.co.uk Vonage originated in the USA and has now spread its wings. For £7 a month you can have their service and that includes the cost of all your calls any time of day or night to 01, 02 and 03 BT numbers. You can have other packages to include favourite overseas counties and a bundle of mobile numbers. It really is cheap, you save about £230 a year by having your BT line taken out (counting basic calls) and the quality, using W3Z as it virtual wires, is excellent. You can have your existing BT 01335 number transferred to Vonage so you do not need to notify customers and friends you have changed. They will just notice enhanced quality and you will notice a massive saving. W3Z carries the Vonage interface box which plugs into the W3Z Router and then into your existing phones. Vonage also have a mobile App called 'Vonage Extensions' which allows you to make mobile calls from your mobile over your or anyone elses WiFi system using your Vonage account rather than the expensive mobile network – This even works if you are outside the mobile coverage area.

So there we are – W3Z is at last about to arrive so please patronise Lester Lowe even more and get signed up on the W3Z website in order that we can complete our plans.

This will all happen during June.

Should mention that it has now arrived. Ed.
