### Memorial Service

On Sunday 2<sup>nd</sup> November at 6.30pm at Christ Church, Hulland there will a memorial service: this is an opportunity to remember and give thanks for loved ones who have died, and to support and comfort each other in our loss. Candles will be lit and names read out. All are welcome to this annual service.

### Remembrance

This year it's Kniveton's turn to hold the Benefice Remembrance service. This will be in Kniveton church at 10.30am on Sunday 9th November where we will remember those who died during WWI from our village.

## **Harvest Services**

The school harvest service will be held on Friday 3 October at 1.30pm. Later that evening the harvest supper will be held in the village hall, 7.30 for 8pm dining. Please bring your own beverages. Tickets are available from John on 344166.

On Sunday 5 October the Harvest Thanksgiving service will be held at 10.30am in the church. The collection will be split between the Rural Chaplain for Derbyshire who supports local farmers and the Bishop's Harvest Appeal - as per Bishop Alistair "My annual Harvest Appeal is an opportunity for us all to consider the families living in poverty in developing countries. This year I have chosen to support a women's project in Delhi as part of our CNI (Church of North India) links.

Millions of people live in the slums of Delhi. Women and children are especially vulnerable to the effects of poverty including isolation and sexual exploitation.

Ella Sonawane, director of the ISPCK publishers in Delhi, has established the Disha centre which provides education, training and employment for women in the slums. Ella has set up a new initiative to train women to recycle paper into gifts to sell. This project will not only raise much needed funds to empower women living in poverty but also affirms our global responsibility to be good stewards of God's creation as our environment."

Then on Monday at 7.30pm the annual harvest sale will take place in church. This year only the fresh produce will be auctioned off. All non-perishable items will be donated to the food bank in Ashbourne.

## **Christmas**

Sorry to mention Christmas but here's a heads up on a couple of forthcoming events:

On Sunday 7 December the Ashbourne Town Band will be giving a concert in the Church at 7pm. The concert is in two halves, the first being general music, the second being Christmas music. It's a great way to kick off Advent. This is a free concert with refreshments provided.

The midnight service will be held in Kniveton this year 11.30pm on Christmas Eve.

## News from the Chapel

On 27<sup>th</sup> July we had a very special service in the Chapel. We met to dedicate the new Communion table which we had had made by James Howe in memory of Mrs Phyllis Rayworth, and also her husband, Albert. Phyllis's family had asked us to buy something for chapel which would be used in a special way, and this table will do just that, as the sacrament of Holy

Communion is a very important part of our worship.

The chapel was filled with people who had come to remember Phyllis. Our special guests were her daughters and their families, but friends from the village who had known the Rayworth family very well came to share the day with us. Sister Merle led our worship, and after the table had been unveiled and dedicated items relating to our worship were placed on the table – a cross, a Bible, and chalice and plate to represent the bread and the wine we share in Communion. After the service we had the opportunity to renew friendships over cake and tea. Altogether a delightful occasion. We donated the collection to Samaritans's Purse, (who run the shoe box project as part of their outreach) in response to their appeal for funds to help with their work in Africa to fight the Ebola crisis.

We have commissioned a second piece of furniture from James, to match the table, a lectern, which will match the table, and this will be dedicated at a later date.

**Harvest Service – 12<sup>th</sup> October at 6.30 pm. Auction of goods – 13<sup>th</sup> October at 7 pm in the chapel.**

This year we are having just one service at 6.30 pm. The preacher will be our Minister, Rev. Tim Morris. We hope that the children from the school will be able to take part as usual. We invite friends from the village to join us. Our customary sale of harvest goods will be held as usual on the following evening in the chapel. The proceeds from the auction will be given to local and national projects and charities.

## Operation Christmas Child – Shoe Boxes

**Service in the Village Hall on 23<sup>rd</sup> November at 11 am.**

We will again be collecting gift-filled shoe boxes for children overseas in disadvantaged areas. This year we have seen distressing pictures of suffering from many parts of the world, and it is certain that boxes from this country will find their way to children who have suffered from the results of war. Our boxes will be a reminder that they are not forgotten. At present we don't where they will be going, but we will have this information by the time we collect the boxes. The preacher at the service will be Mr Peter Dawson.

Please contact me for leaflets which tell you what can go into boxes – and what must be left out! I can arrange for your box to be collected if you are unable to come to the service. If you are not aware of this project and would like to know more I would be happy to talk to you.

Shoe Box Coffee Morning 15th October 9.30 to 11.30 am.

We have arranged our annual coffee morning in The Cornerstone coffee shop at Ashbourne Methodist Church for Wednesday 15th October from 9.30 am to 11.30 am, when we will have shoe box related items for sale at very reasonable prices, and also covered shoe boxes. In particular there will be knitted items and stationery items. There will also be a bric a brac stall and second hand books.

## Kniveton WI

Our first meeting since the holidays was a talk given by a local farrier, Doug Bradbury. Firstly he told us about the history of shoeing horses and brought examples dating from Roman times, to the present day. He actually had a shoe from a Norman horse! He explained how farriers are trained and they have to acquire a certificate before they can touch a horse. He has had sixteen apprentices throughout his working life and his son and grandson are now carrying on the business. He then went on to tell us about his experiences working with horses, some very amusing anecdotes. On one occasion he was asked to see a horse in Turkey. At first he thought it was his son 'pulling his leg'! He and his son were flown first class to Istanbul, put up in a hotel and then given a personal tour of the city as well as seeing to the horses needs!! You can imagine going through customs with all their tools, sheer mayhem. The elderly lady who had a pet donkey which was kept in her living room! Many more stories of that nature.

During the summer months members have visited Derby Museum looking behind the scenes and a tour of Repton School.

## Flood Fuddle

This year's Flood Fuddle was blessed with near perfect weather. Although it wasn't sunny it was a very warm evening with no flies or breeze. Usually on Fuddle Night the temperature starts to drop and force people to drift away to the pub between 8.30pm- 9pm. But this year, with it staying warm, the 'Die Hards' stayed until about 10.15pm.

We are, once again, indebted to the Griffiths Family. Simon and helpers sorted out the orders for a record 44 pizzas and several curries. Then the family let us 'roll' their lawn and invade their driveway. As if that's not enough brought out tea and coffee for anyone who wanted a cuppa late on. The week that followed the Friday Fuddle, was very busy for the Griffiths, Saturday was Amy's 17<sup>th</sup> birthday party, Wednesday Sarah's 21<sup>st</sup> birthday party and the following Saturday Paula's sister was married in Ashbourne and the 'after wedding do' was at their house. So to allow us to go ahead a week before, like that, to say thank you to Simon, Paula and family doesn't seem enough, but many thanks anyway.

As a village we are very, very lucky to have Doug McConnachie live here, as he is always willing to provide the music for a Village Do. He was there from mid afternoon, setting up his gazebo, decks and speakers to get everything right. So thanks very much Doug, for all your effort. We really do appreciate all you do for us.

Thank you very much to everyone who brought nibbles, crisps, nuts, buns and cakes on the evening. It's funny how we stuff ourselves with pizza but still find room for just a little bit more.

The only blip of the evening was when the stitches on Dick Marsh's chair gave away putting him on the floor with a nasty bump. Luckily he was alright the next morning with no damage done. So next time Dick I think it will have to be an 8 inch pizza instead of a 10 inch!

Last but not least a big thank you to everyone who turned up for the Fuddle, because it would be a Fuddle without you. It was good to see some new faces and meet some of the people who have moved into the village in the last year. Hopefully, we will see you all again next year. Thank you once again to everyone who helps make the Flood Fuddle possible.

# *The Get Together Club*

We were in the village hall for the 14<sup>th</sup> August meeting when Harvey Murray-Smith educated us about wines. We had a really lovely afternoon with lots of wine tasting.

The next meeting was at Chatsworth Court on 11<sup>th</sup> September when we welcomed charity worker Sue Underwood. This was really interesting with Sue making us all realise how cheap life is in African countries, especially for women. Sue will be coming back next year when we have agreed to collect small items to send over to Mozambique with her, if you have any items you would like to donate please contact Liz, Sue, Margaret or Pauline.

Liz, Sue, Pauline, Margaret and Jane Harland ran a tombola stall at Ashbourne Show which was very successful, something we will definitely be repeating next year. Our thanks go to Ian Davies the Punch and Judy man who came and helped on the stall making balloon animals for children and bringing in more trade for us. Thanks also to everyone who donated bottles and all who bought tickets on the day. Our day was filled with laughter.

25<sup>th</sup> August we were all off on holiday to Nidd Hall in Harrogate. We had a tour of the Yorkshire Dales stopping at Hawes for lunch on the Tuesday, a day in York on Wednesday and a day in Harrogate on Thursday (of course we all had to visit Betty's Tea Rooms). On the way home we called at Knaresborough and Mosborough Hall near Sheffield for lunch. A most enjoyable week was had by all. We are now looking at seaside resorts for next year so if you had any suggestions please contact Liz.

Llandudno was our destination on 18<sup>th</sup> September as Quarry Bank Mill was cancelled. The weather was brilliant and we all enjoyed a lovely day out.

Cherry Wood has supplied sweeties on all trips and holidays for the bus journey and we would all like to say a big thank you to her.

From 1<sup>st</sup> to 5<sup>th</sup> December we are going to Scarborough for Turkey and Tinsel. £225 includes dinner, bed and breakfast and all trips out. This trip is open to anyone so if you would like to join us please call Liz.

If you would like to come along to any of our meetings or just on the outings where you will be made most welcome or, have a copy of the programme please contact Liz (346078).
