SHROVETIDE IN KNIVETON

Children at Kniveton School welcomed 3 visitors to one of their assemblies last week as Frank Lomas, Terry Brown & Mick Betteridge came to talk to them about Shrovetide. Terry Brown made the ball that Frank Lomas turned up on Ash Wednesday and Mick's son, Simon, goaled the ball (sadly at Clifton, as both maker & turner-upper are Up'ards). All 3 men brought in the balls they had goaled previously (from 1969 onwards) & passed these round for the children to look at as well as giving a short slideshow about Shrovetide and explaining how the balls are made. The children asked lots of questions and teacher Sue Cartlidge thanked the three men for their talk.

Back row: Teacher Sue Cartlidge, Frank Lomas, Terry Brown & Mick Betteridge. Front row: Louis Tallis with one of next year's balls, Symi Chakma-Hawksworth (whose dad designed the Shrovetide monument in Ashbourne) with this year's ball, Sam Lomas with his granddad's ball & Joe Brown with his dad's ball.

We send very many congratulations and very best wishes for their future Happiness together to Victoria Ann Bowness and David Guy Sutton who were married in Kniveton Church on Friday 18th March at 12.30 p.m.

WHIST DRIVES

The November and January Whist Drives raised a magnificent £245.00 for Cancer UK. Regrettably the December Whist Drive had to be cancelled due to the snow. The February Whist Drive raised £78.80 and the March Whist Drive raised £78.25. Both were in aid of Church Funds. The whist Drive for April will be on the 13th and the May Whist Drive will be held on the 11th both will be in aid of Church Yard funds. Not made a New Years resolution yet?????. Why not resolve now to go to at least one Whist Drive this year. You are assured of a good evenings entertainment. Any Further information can be obtained from your Whist Drive Host, John Bradbury on 344166

GET TOGETHER CLUB

Yet another bit about the ramblings of the Get together Club. Once again we must express our thanks to Liz for organising a very enjoyable day out at the West Midlands Safari Park which is some where down near Kidderminster. We went in a brand spanking new coach courtesy of Warrington's coaches on its maiden voyage as it were. The Safari was well worth the visit and certainly recommended for children with plenty of animals on show but no monkeys at the moment (just as well with a brand new coach). April we have the joy of having two meetings the 7th and 28th April. On the 12th May meeting we will be going on a mystery tour (starting at 1.30 pm) ending up with Tea in Tissington. All new members are made most welcome. For more information etc contact Liz Howe (346078) or Sue Lang or Margaret Marriot who have volunteered to assist Liz.

Beware!

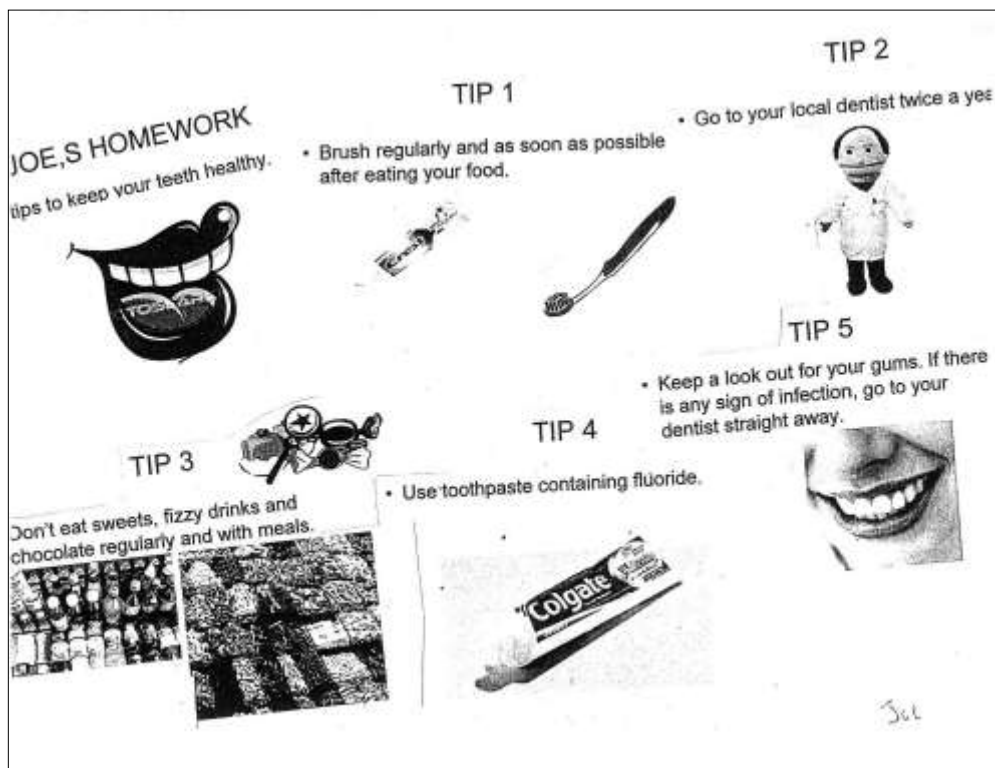

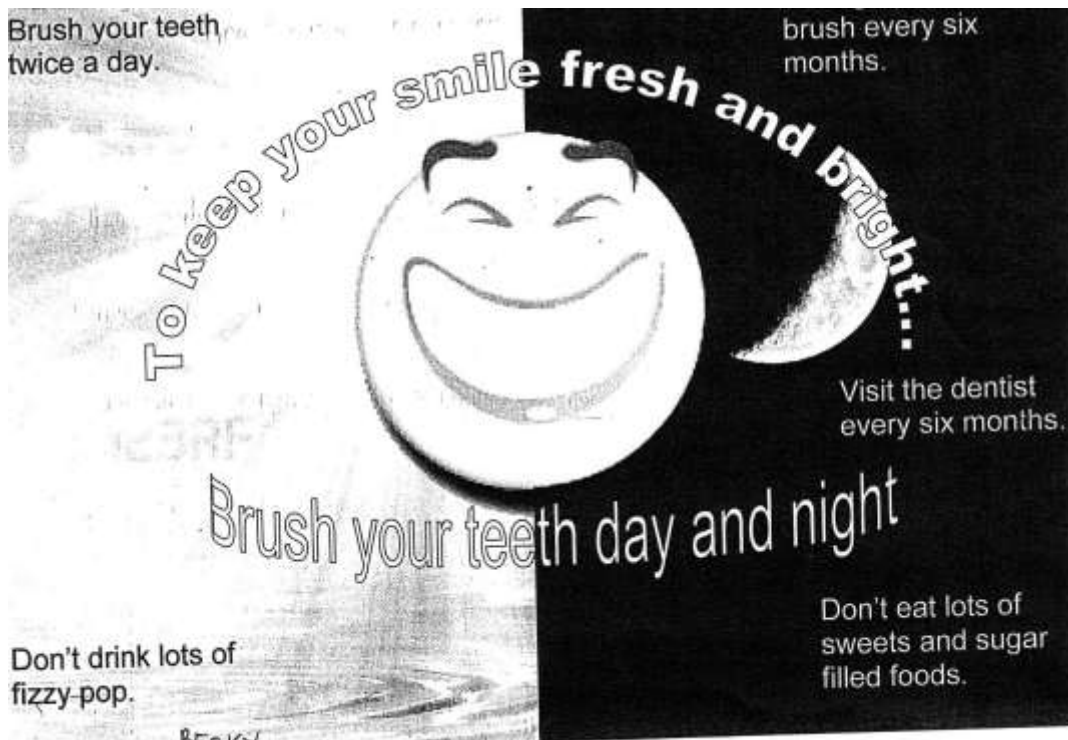

A wallet was stolen from the school on the week commencing 21st March, during lunchtime.

So please keep your eyes peeled for anyone suspicious.

Class 2

In Science, the children in Class 2 have been learning about how to look after their teeth and why it is important to eat healthily. As part of their homework, they designed posters to encourage others to look after their teeth. Here are some of them.

Mrs. Gorman

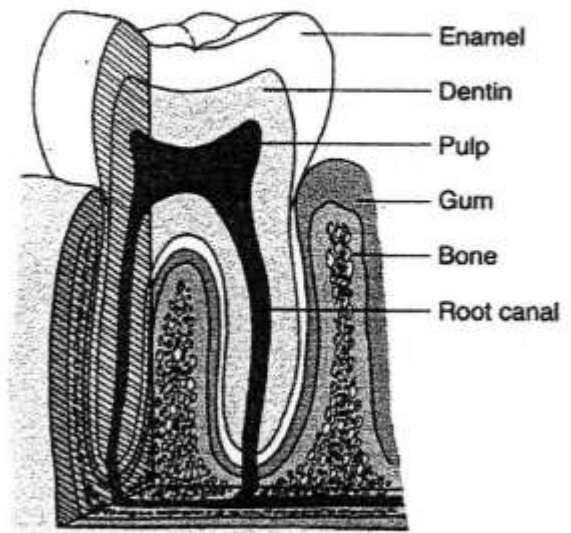

Teeth

Inside a tooth

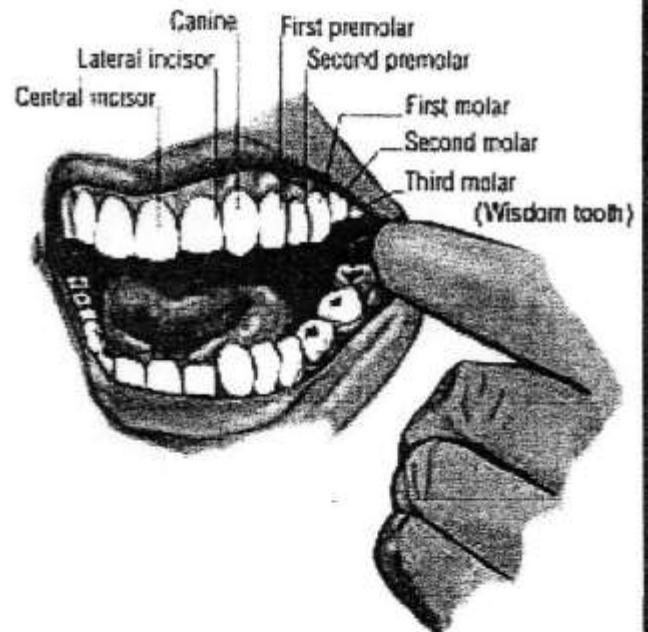

Inside a tooth

there are 4 things called enamel , pulp , dentin and root canal.

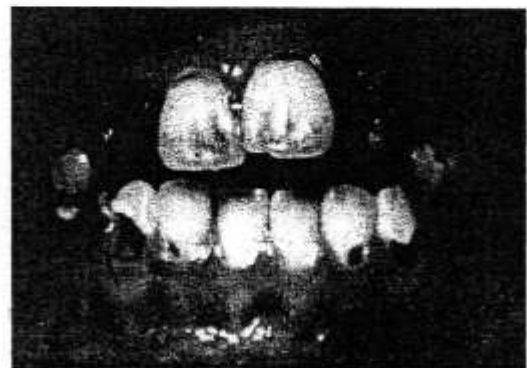

How to clean your teeth:

1. Use toothpaste on your brush.
2. Use circular movements on the bottom and top rows of teeth.
3. Do the same on the inside.
4. Scrub and then rinse.

Bad teeth

If you don't brush your teeth they will go bad.

By Seb Crellin

Brush your teeth twice a day!

Brush teeth after breakfast and dinner

Drink your milk! You need calcium for strong teeth.

Brush your teeth for 2 minutes!

Replace your toothbrush if your bristles are bent over!

Use the right toothpaste for your age!

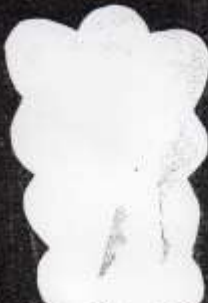

Remember to brush your gums as well as your teeth!

Don't eat food with lots of sugar in, like sweets!

5 top tips on how to look after your teeth

- Brush your teeth two times a day.
- Brush your teeth well for 2 minutes.
- Use mouth wash and floss.
- Do not eat sugary snacks.
- Avoid fizzy drinks.

If you DO

If you DON'T

Brush your teeth after your breakfast

Use mouth wash after you have brushed your teeth

Watch what you eat...
Pineapple, orange, apple

and at bedtime

From those of us who went to the Medieval Night at the Red Lion.

We would all like to thank Craig, Sam and Kai for making it such an enjoyable night. The food was superb and the dining room was amazing. (Straw on the floor and a long table! Only a fork and bowl, and jugs of ale and wine). It was a bargain and we all enjoyed it. The costumes were really funny. Even the bar staff dressed for occasion. We hope you will repeat it. Sorry but the photos did not come out as candle light was not enough!

KNIVETON PARISH COUNCIL MEETING

The Council met on the 29th March. From the outset the Council were involved in extended discussions. The opening discussion was on a matter not included on the agenda but was considered a matter of general interest and importance. The subject was the parking at and around the school during the delivery and collection of children. It was considered that some parents were not parking considerately or using common sense. There were numerous instances of cars being illegally parked on the pavements and at the bus stop. The police Officer in attendance at the meeting duly noted the comments and remarked that similar situations existed at other schools in the area. It was confirmed that the provision of yellow lines etc in the vicinity of the school are due to be completed in the very near future and hopefully will solve the problems.

Traffic calming measures were discussed and the meeting was informed that many villages are setting up "Community Speed Watch". This is where a volunteer from the village is provided with a Speed Camera to check for vehicles exceeding the speed limit entering the village. The volunteer will be accompanied by a Police Officer. Drivers caught speeding will receive a written warning. Further action could be taken against repeat offenders. Volunteers are required and persons interested should contact their local Councillor.

A Maintenance agreement for the village playing field has been agreed involving the School and the Parish Council. A small annual fund has been set up with contributions from both parties to cover the cost of maintenance. Copies of the agreement will be published in the near future specifying all the details.

On May 5th there will be a District and Parish Council Elections held in the Village Hall. Any person considering to seek election as a councillor needs to obtain a Nomination Form from "The Returning Officer" D.D.D.C. Town Hall, Matlock, DE4 3NN" Completed Nomination Forms have to be returned by the 4th April

It was stated that the vast majority of holes in the roads had been repaired. It was agreed that Foxholes Lane is still in need of attention.

The next Council meeting will be held on the 31st May.

Starting at the earlier time of 7.30 p.m.

The Get Together Club

Many thanks to everyone who supported us with their green discs in the Waitrose box . Waitrose have donated £221 to help pay for village hall hire and refreshments. See photo. The sun shone for our first meeting of the year. We were able to welcome Ashbourne Animal Welfare to the village hall and leave the double doors open for the afternoon. 36 members were treated to an incite of the Ark. The facts and figures of running an organisation of this kind are unbelievable; and the people who donate time and money to this are really special.

On March 11th we went to West Midlands Safari Park, the sun shone once again for us, most of the animals were out and laying in the lovely warm sunshine. The meeting on 7th April sees us out and about again on a mystery tour ending with lunch at a secret destination.

On 28th April we welcome Garry Purdy our local councillor to tell us about his life in the police force and Julie Akino who is talking to us about the digital switchover.

If you would like to come along to our meetings or have a copy of the programme please contact Liz (346078).

The Thursday Club

Well.. they're out again. Yes, the Thursday Club recently went to the West Midlands Safari Park on Warrington's brand new bus. After an unhurried lunch the bus entered the Reserve through electric gates and proceeded at a slow pace around the park.

Everyone had a great time, the sun shone and all the animals were on their best behaviour. Antelopes and deer, white lions, Bengal tigers and rhinoceroses to name but a few. Then, elephants walked alongside the bus at a leisurely pace giving everyone a chance to enjoy their company. We arrived home to rain and strong winds so we were very lucky with the good weather.

Thanks to Liz and all who helped arrange such an enjoyable day—and the bus went home unscathed!

Our next foray is lunch with Chris. Who is Chris? Man or woman? Here? Watch this space.

Kniveton Chapel

The special event in our calendar this month (March) was the celebration of Sister Merle's 90th birthday. The main celebration was held at our Ashbourne Church and was a joyful occasion. The church was filled with family and friends from far and wide, some of whom had travelled a long way. Others had known Sister Merle in her past service, for example in Bristol and Kenya. Many friends from Kniveton accepted the open invitation to attend. A collection was taken for work in Kenya and for the Deaconess Order, and amounted to over £700. A truly memorable day.

We continue with the renovations to the Chapel building and hope to begin work on the external brickwork when the weather is a little warmer and dryer.

Do join us at one of our services which are held on the 2nd Sunday in the month at 2.30 pm and on the 4th Sunday at 11 am. You will be warmly welcomed.

Operation Christmas Child – Shoe Boxes

During the year we continue to work towards the next project, collecting 'bargains' and raising a small fund towards transport. Our next event is **"THE BIG BREAKFAST"** on Bank Holiday Monday, 30th May from 9.30 am to 10.30 am at Ashbourne Church. This is a good starting point for a Trail Walk, so do join us. There is no specific charge, but of course we do ask for donations which will cover the cost. We serve grapefruit and a choice of cereals, bacon sarnies and beans on toast, toast and marmalade, and of course tea and coffee. Visitors to the area are especially welcome. The church hall (the Century Hall) is accessed from Station Road, Ashbourne, and the church is open to visitors.

If you want to know more about the shoe box project do ring me.

Betty Hadley. 01335 300699.

Music at Kniveton School.

All of the children at Kniveton School enjoy their musical activities. They have the opportunity to play instruments, have class music lessons and come together to sing.

Class 2 are looking forward to April 11th when they take part in a singing project along with other local schools at St. Oswalds in Ashbourne. In July ,Year 2 to Year 6 children will be visiting Derby Cathedral to join other Derbyshire Schools in Sing 200 and Bring 200.

On a further musical note, Class 1 teacher Mrs Sue Cartlidge will be particularly proud on Royal Wedding Day, as her daughter Alison ,a trumpet player with the Central Band of The Royal Airforce, will be playing in London on that day.

Good Luck to the all!

KNIVETON WI

Our February speaker was Fiona Francis who came from the Derbyshire Association for the Blind. She explained to us how they support sight impaired people throughout Derbyshire, she let us try on some special glasses which simulated the effects of glaucoma, macular degeneration, cataracts and stroke patients, some quite basic things like powerful magnifiers to more expensive talking computers we benefited from listening and partaking in evening and how important our eyesight is.

The March meeting was well attended and minutes of February meeting were read and agreed. 16 members enjoyed a meal at Biggin Hall. We are 75 years old and a certificate was presented to June Holman at the AGM. in Chesterfield. 4 members attended a goldwork course at Derbyshire House. The guest speakers were Ruth and Andy who gave us a demonstration on glass bead making. a vote thanks was given by Barbara Palmer. The prize for the most unusual piece of jewellery was won by Hannah Goodall. Mystery prize Susan Clarke and Denise Salt. Hostesses were June Holman and Glenys Hlland.

At the April meeting the ladies are hopefully going to enjoy an energetic evening playing Curling, but the May meeting may be a bit more relaxing with a visit to Leatherbritches Nursery where the ladies will be having a lesson in the making of a successful Hanging Basket. Kniveton WI always welcome all new members

WELL DRESSING FUNDS

It has been decided by the Well Dressing committee that all the funds held in the "Well Dressing Account" should be distributed to local Charitable concerns as follows. Kniveton Church and Chapel £500 each, Careline – £300, Animal Welfare and Donkey Sanctuary £194.52 each. All this money was raised in previous Well Dressing events and the committee would like to express their sincere appreciation to all in the village and visitors to the village for their very generous contributions and support.

EASTER EVE CELEBRATION

Saturday 23rd April, 5.30pm at Hlland Church

Come and join us for a short family service to welcome Easter, followed by fireworks, balloons & hotdogs in the village hall.

Robin Beardmore of Charlottes Cottage, Kniveton sadly passed away on February 19th following a short and painful illness diagnosed as asbestosis. Rob, aged 62, a former carpenter and joiner had worked in the building trade in Derbyshire for many years. He was a very well respected work-man, friend and a great neighbour during his twelve years in Kniveton. A quiet man with a great sense of humour who loved Derby County football Team!

The funeral held at Markeaton Crematorium on March 3rd was very well attended by family and friends. Following the service Robs' partner Bobbi received everyone back at the Red Lion for refreshments. The memorial fund for the Nightingale Macmillan Nurses has raised over £400, many thanks to everyone who donated. He will be sadly missed by all who knew him.
