HARVEST FESTIVAL (Church and Chapel)

Harvest festival services will be held in the Church on the 3rd October and the Auction of the Harvest gifts at 7.15 pm in the church on Monday 4th. The Traditional Village Harvest Supper held in the Village Hall will be on the 1st October. See John or Nancy (344166) for these much sought after Tickets. Ticket numbers are limited "Don't be disappointed". The Chapel Harvest Festival services will be held at 2.30 and 6.30 p.m in the Chapel. The Chapel Auctions of the Harvest gifts will be on the 11th October at 7.30 in the Chapel with David Bott doing his bit as the Auctioneer.

WHIST DRIVES

The June whist Drive raised £69.54 and the July whist drive raised £54.83. Both these amounts will be donated to the Kniveton Church yard Fund. The August and September whist drives will also be donated to the Church yard Fund.

POLICE MEETING

Our local Police responsible for our area have an open meeting once every three months. The venue is arranged so that all the areas has a chance to hear and discuss police programmes, policy and details of crime in our area. On the 16th September it is Kniveton's turn 7.00p.m. in the Village Hall. All interested persons are invited to attend.

WARNING TO DOMESTIC OIL USERS

I strongly suspect that I have been a victim of Domestic Oil theft. Such thefts do take place and the thieves only take a limited quantity (not enough that you would immediately notice). Suggest that Oil users are aware of this and check and secure their oil by locking their tanks. If you are reasonably convinced that you have had oil stolen report it to the Police.

Songs of Waves

Carsington Water provided a dramatic background to a very successful Songs of Praise on Sunday 4th. July, organised jointly by Ashbourne and Wirksworth Churches Together. There were waves on the lake and a brisk blustery wind but it kept dry for a lively hour of songs old and new accompanied by Ashbourne Town Band and the Dales worship Group from Wirksworth. Interspersed was moving personal testimony from three members of different denominations and an excellent dramatic rendering of John 4, produced and performed by the youth workers from both towns. There were an estimated 500 present during the service; some from as far away as Poynton and Nottingham, but with a very good local support, including a good showing from Kniveton, and the Hulland Benefice. More than £750 was raised for Water Aid.

The Memorial Seat for Bob and Gladys Goodall. Kniveton.

Many years ago Dad decided that if he wanted a comfortable chair then he would have to make his own. So with some sheet and tubular steel his chair was born, the upholstery was scrap carpet riveted on and the seat was a wheelbarrow tyre with a cushion on. As he got older he found it more difficult to get out of, so six inches was added to the legs, problem solved, and his idea for higher seats became important to him. After an incident while sitting in Ashbourne Recreation Ground when he had to ask a stranger to help him up, he said no-one should have to suffer that indignity.

He then made a prototype bench and took it to Sudbury prison for manufacture and donated three of them to Ashbourne Town Council to be used as, what he termed as 'a pit stop' for the elderly visiting the Health Centre and the supermarket, these were in memory of our Mum Gladys but sadly they were vandalised and have been taken away.

Undeterred he wrote to manufactures and County Councils to try and get public benches made with higher seats, all to no avail.

It was his dear wish to have a rest stop somewhere in Kniveton and after his death in March 2009 his family decided to have a memorial seat made in oak, and outside the Village Hall seemed the ideal site so permission was sought and appreciatively granted.

As it was not the usual height dimensions it had got to be handmade. I first met Matthew Morris, originally from Hognaston, when I worked at Queen Elizabeth's school as a workshop technician and he was doing 'A' Level woodwork. He now has a thriving furniture manufacturing business at the Markeaton Craft Village in Derby, so he was my first choice to contact and he was only too happy to help me out. The result is a hand crafted bench in English Oak, (of course,) to Dad's design, and the family would like to thank the Village Hall Committee for helping us to make one of his wishes come true, his others are going to be more difficult, if not impossible.

Liz Woolley. (Goodall.)

The Memorial Seat for Bob and Gladys Goodall

Kniveton Chapel news Anniversary Celebration, 11th July 2010.

At Kniveton Chapel we celebrated our anniversary – something which we do each year. This year we invited our previous Superintendent Minister, Rev Chris Eddy to take the service. The chapel was built in 1832, and we felt that 178 years of worship in the same place was worth a special celebration. We invited friends from around the Circuit, as well as previous members and friends from the villages. Almost 70 people joined in the celebration, followed by tea in the village hall. It was a very enjoyable and special day. We thank everyone who came, especially not forgetting those who also worked hard to make the occasion one which we will remember. Please come and visit us again. Service details are in this newsletter, but please note the date of our Harvest Festival, 10th October 2010, and the annual auction on the following evening, with David Bott acting, as usual, as the Auctioneer.

We are continuing with repairs to the fabric of the building, inside and out. The windows have now been repaired and the door re-stained. We hope that soon repairs to the brickwork will begin.

CHURCH SERVICES

Services in August return to their normal pattern, with Holy Communion on Sunday 1st at 10.30am and a Family Service at 10.30am on Sunday 15th. There is also a United Benefice Service in Hulland on Sunday 29th August at 7pm to celebrate their Flower Festival.

BACK TO CHURCH SUNDAY

This year on Sunday 19th September, we are taking part in a national event which has run for several years: 'Back to Church Sunday' is based on the shortest and simplest step in evangelism - that we should invite someone we already know to something we love, invite our friend to our church. In other words church members will be inviting a friend or neighbour to come with them to church on that Sunday. The initial focus was to invite 'back' those who used to attend, but we want to ensure that anyone who doesn't currently attend can be guaranteed a specially warm welcome.

CHURCH FUNDRAISING

We have decided to run a tombola at the Village Garage Sale as a fundraiser for church and would be grateful to anyone who could donate a tombola prize.

Mobile Foot Care Services

Corns, Callus, Dry/Cracked heels,
Nail trimming & filing, Verrucae,
Thickened nails, In-growing toenails,
Fungal nail/foot infections & Pedicures

PARISH COUNCIL MEETING

At the start of the Parish council meeting on the 27th July Isobel Bellamy reported on the results of the recent Rural Housing Survey carried out in Kniveton. 163 forms were sent out 57 were completed and returned. After a lengthy discussion on the needs of Rural areas housing it was calculated that there was an immediate need in Kniveton for 3 or 4 affordable homes. The problem was where to build these homes. Anybody who knows of any location where these affordable houses could be built should contact their local Parish councillor or if they would like a copy of the Survey they should contact Isabel Bellamy on 01629 761256.

A source of supply of the materials for the "Gated" Traffic Calming Measure has been located and the Council were advised that there is funding available from the "Community Fund".

At Madge hill an order is being applied for to restrict unauthorised traffic from Madge Hill to Wood Head

Councillor Bradbury stated that only soft ball games are permitted on the Tennis court and there will be a sign erected at the playing field gate stating that Skate Boarding and Cycling are not permitted in the Playing field.

There is no progress on carrying out Flood Prevention work. Councillor Lang states there seems to be confusion at County Council level as to what work is required

There were lengthy and "concerned" discussions on the problem of parking at the village Hall Car Park area during school times. It was stated that some school parents were being extremely uncooperative and somewhat abusive even to the Police Officer in attendance. It was stated that many of the parents seem incapable of parking sensibly and linger and stand chatting long after their children had gone into school. There is an increasing number of reports of commercial vehicles unable to use Longrose Lane due to irresponsible parking of school parents. It is being considered that Longrose Lane be made a "No Parking area."

Councillor Lang requested that the District Council be thanked for mowing the verges in July instead of March and October as is the norm. It has certainly improved road safety.

The Council has received a letter stating that there will not be a Bus Stop installed at the Ketch area due to road safety concerns. The bus drivers have been given permission to stop in the Ketch area, if requested. It is left up to the driver's decision based on safety grounds.

A letter was received by the council requesting that the Village Pond be restored. Councillor Vaughan stated that he has started to refill the pond but there is very little water in the stream and it will take some time. There are lumps of concrete on the side of the pond that will need removing.

The next meeting will be on 21st September 7.45 pm in the Village Hall

**13
NOVEMBER**

Get the needles clicking, hooks hooking, cards stuck together, flowers dried, jams and pickles bottled and those ovens baking. It's time for another Christmas Craft Fair in Kniveton Village Hall. Book a stall or share it with someone, £5 each.

Saturday 13th November 2010. For details contact Lesley 01335 300682

**CHRISTMAS
CRAFT FAIR**

SHERYL CROW

The magical mystical night time sky, in her nest does thou apply,
Awake'th in the morning yes oh early rise, glorious to the
picturesque beauty of calmness blue sky's, Jackdaw's send there
greetings beauty thus they sing, give thanks to our heavenly father
and Jesus our king.

The Rook full of splendor spell bound to her books, as she turned to
page 77 yes the mirror of good looks.

Now was the Raven oh such wonderful charm yes magic to astound,
sending messages and potions yes of vision and sound.

Thus was the family all different types of crows yes gathered in the
field, said we'll fly the sky's and protect our lord with a magical
sword & shield.

News traveled fast of over land and sea, a vision of love yes true,
sung by Mariah Carey, this news of enchantment yes was magic even
to the tooth fairy.

All the school children got together for the story to unfold, Jesus our
Saviour your gift to us, is far richer than silver & gold.

AMEN

PAYMENTS COUNCIL

WORKSHOPS ON THE FUTURE OF CHEQUES

Consumers and businesses are using fewer cheques. The number of cheques has been falling steadily since 1990. Volumes fell 12% in the last year alone. However, there are still plenty of situations in which cheques are used extensively – not least by charities, clubs and societies.

Given the continuing decline in cheque use, there will be far fewer cheques used in five years time. The choice is between managing this trend or leaving developments to market forces. The Payments Council believes it is better to put a clear plan in place to introduce new methods of payment to help organisations and people who use cheques to prepare for the future. Leaving the decline to market forces risks a situation where cheques are not available but neither are the alternatives to replace them.

As a result, the Payments Council Board has set a target date of 31st October 2018 to close central cheque clearings in Great Britain and Northern Ireland. Our goal is to ensure that by 2018 there is no scenario where individuals or organisations still need to use a cheque. In 2016, a final decision will be taken as to whether we will achieve that 2018 goal. If we are not satisfied that alternatives are in place, and are being used, we will not close central cheque clearings in 2018.

The workshops

Our challenge now is to understand, in more detail, the needs of those who rely on cheques. Since we began this work, charity and voluntary organisations have been a top priority. To help us make sure we fully understand the issues for this sector, I would like to invite you to attend a special workshop. We want to hear direct from the people who know why your charity, club or society uses cheques and why you don't use other payment methods. These sessions are being arranged to understand how we can help the charitable sector administer the payments they need. Whilst you will all have concerns about how different groups within society could be impacted by moving away from cheques, this initial round of workshops is concentrating on charities themselves and how they operate as a business. **The details of how to participate are set out below.** Whilst workshop places are limited, please be reassured that we will share the findings of our work with all of you and would welcome you to tell us if we have missed a key issue. We have set up a special liaison group with bodies that represent the third sector, including the Institute of Fundraising, the Small Charities Coalition, the National Council for Voluntary Organisations, the Central Council of Physical Recreation, the Churches Legislation Advisory Service, Charity Finance Directors Group and the Association for Charitable Foundations. The Office for Civil Society and the Charity Commission are also involved. This group is actively shaping our decisions and will work with us throughout the course of the programme.

I look forward to meeting you,

PAUL SMEE

For more information on the Payment's Council's work on cheques, go to our website:

KNIVETON WI

For our July meeting, the speaker was to be a volunteer from Heage Windmill, but we decided it would be more meaningful if we went there and how right we were.

Built in 1797 and restored in 2002, Heage Windmill is the only working, stone-towered, multi-sailed windmill in England. We were given a guided tour from top to bottom & all the workings were clearly explained by the team of volunteers who work the mill, especially the cap at the top which rotates to take full advantage of the wind direction. After the tour we were able to buy flour in the mill, including the "middlings" (the part of the flour between fine flour & the bran, hence the response to the question "how are you?" - I'm middling). A very enjoyable evening. The mill is generally open weekends and bank holidays from 11am to 4pm. Tel: 01773 853579.
www.heagewindmill.co.uk.

Our next meeting will be Wednesday September 15th September when our speaker will be Helen Krasner, who is coming to talk about her mosaics.

The Get Together Club

Thank you to Derbyshire Dales and High Peak Local Strategic Partnership and Derbyshire Community Foundation (Grassroots) for their kind donation to funds.

Shirley Dales came to our June meeting and supervised flower arranging. We didn't know there were so many talented ladies and gentlemen in the area. The afternoon was a big success and everyone had a really good laugh. The village hall smelt and looked lovely.

We had a mystery tour, guided by John Bradbury, around Bakewell, Ashford in the Water, Monsal Head and Earl Sterndale etc ending at Tissington village hall for afternoon tea. The ladies of Tissington did us proud, we were really full after the splendid buffet they provided.

July 29th meeting is in the village hall with Jean Irvin and the August 19th meeting is also in the village hall with Alan Hopkin past resident of Kniveton.

If you would like to come along to our meetings or have a copy of the programme please contact Liz (346078) or Margaret (344064).
