Assistance with transport for older, disabled and vulnerable people.

Voluntary and Community Services Peaks and Dales is based in King Edward Street, Ashbourne. The organisation is the result of a merger between Volunteer Centre Derbyshire Dales and Volunteer Centre, Buxton.

For 17 years the organisations have been providing transport for older people unable to use public transport. We are very keen to make sure that everyone who needs us knows about us.

The service operates 7 days a week, and can provide volunteer drivers to take people to medical appointments, day care and social events.

If anyone wants to use our service they can phone Lynn/Glynis on 01335 344700 or pop into the office at the above address. We prefer 48 hours notice however we will always try to find a driver if this isn't possible.

We rely heavily on volunteer drivers and would welcome any new people interested in volunteering. Any time is very welcome whether it be an hour or ten.

Whereas every care is taken to ensure unprejudiced and accurate reports, the Editor can accept no responsibility for unintentional errors or views of the contributors.

KNIVETON PARISH COUNCIL

The meeting of Kniveton Parish Council took place on Tuesday 19th May 2015 and the following items were discussed:-

Annual Parish Meeting

The meeting received reports on Kniveton CE Primary School, the Parish Field, Church Yard Mowing and the Village Hall.

Annual Parish Council Meeting - This being the Annual Meeting, the following councillors were elected to office; Cllr David Lang (Chair) and Cllr Douglas McConnachie (Vice Chair). The election of 7th May was uncontested as there were only five nominations to the six places. It was proposed and seconded with all in favour that Liz Howe be co-opted onto the Parish Council. The full membership is therefore as follows: Cllr D Lang, Cllr D McConnachie, Cllr L Rose, Cllr J Bradbury, Cllr M Vaughan and Cllr L Howe.

Dog Fouling – The DCC Public Space Protection Order has come into force and should therefore offer some protection against any dog fouling on the two play areas on the Parish Field.

Defibrillator – Councillors have discussed at length the possibility of seeking funding to install a defibrillator in the village. Whilst not having yet reached a decision, the opinion is that the geographical layout of Kniveton perhaps mitigates against the effectiveness of a defibrillator as ideally, it would need to be administered within 2-3 minutes of a cardiac arrest. However, councillors would be interested in any feedback or comments from residents on the subject and particularly from anyone with expertise in this area or an interest in fundraising should the Parish Council agree to go ahead with a scheme.

Highways – Reported several potholes on the B5035 from Rowfields, through Main Road Kniveton and just beyond the village boundary towards Wirksworth. Reported also that the DCC grit bin on Hillocks has been destroyed presumably by a lorry.

Footpaths – Some cutting back has been carried out on the footpath St James Lane to Longrose Lane. Councillors would be pleased to receive any reports of footpath maintenance issues and whilst funds for this work are limited the Parish Council will endeavour to keep local paths in good order.

Finance – Payments and balances to 19th May 2015 were presented and approved by the meeting. The Annual Accounts for year ending March 2015 were approved as was the audit submission for the same period. It was also agreed that the following grants be made to local organisations: Churchyard Mowing - £500, Kniveton Newsletter - £200, Get Together Club - £200. It was noted that Cllr Bradbury has stepped back from his role in mowing the churchyard and councillors on behalf of the village wished to record thanks to John for his work over many years in maintaining and enhancing the village.

Parish Council Website – From early in July, Kniveton Parish Council will have a website where agendas, minutes, accounts and other council information will be displayed.

Planning

15/00330/FUL - Single storey side extension to Stoneycroft, Main Street, Kniveton for Mr Nigel Worne – Parish Council raised no objections

15/00194/BALT – Alterations to window frames and inclusion of double glazing at The Old Hall, Pethills Lane, Kniveton for Mr Brian Waring - Parish Council raised no objections

In addition – Councillors recorded their thanks to the Red Lion for organising a Fish and Chips Supper to raise money and awareness for the charity Spinal Injuries Association.

Date and time of next meeting(s)

Tuesday 14th July – 7.00 pm

Tuesday 8th September – 7.00 pm – (*commencing with JPFC Meeting*)

Please note time of meetings now 7.00 pm

INSPIRING WOMEN

Kniveton W.I enjoyed a visit to Weleda in Heanor for their May meeting. We were met by Claire, their head gardener, who explained that they grow most of their plants for their herbal medicines in this garden, but the plants for their cosmetics are grown in warmer countries.

We started our tour around the cultivation plot, where we saw many plants growing which we wouldn't encourage in our gardens (we refer to them as weeds!) They have many properties a lot stored in their roots and leaves, they get more from strawberry leaves than in the strawberries themselves. Apparently strawberries are full of water - we know which we would rather have!

She told us how they plant to the moon cycles, planting seeds when there is a full moon. (Now some of us know where we are going wrong, mentioning no names!)

We went on to the composting area, and explained how this is organised. Much to the alarm of one of our members, there are grass snakes living in one of the heaps!

They have an area with bee hives, they were certainly very busy when we went passed them. An excellent habitat for them as our final area we went through were the meadows where Claire explained the different plants and their uses.

We ended our tour visiting our factory shop - all the honey sold out straight away! We were given a goodie bag of their samples, and of course, we couldn't resist treating ourselves!

Kniveton WI now has a Facebook page please have a look and give us a 'like'

The Get Together Club

A big thank you to the Parish Council and Derbyshire CVS for their donation to our funds, it is very much appreciated by all.

We have not had a very good start to the New Year with our first two meetings cancelled due to snow. We did manage our mystery tour with lunch at the Nags Head, Hlland on 12th February. Mark and Margaret, landlord and landlady of Nags Head made us very welcome and provided an excellent lunch. We all thank John Bradbury for once again mapping out a lovely mystery tour.

The meeting on 5th March was down at Chatsworth Court in Ashbourne when James Pogson, director of Northern Tea Merchants, came and gave us a talk about Fair Trade Tea. We learnt all about the different processes from picking to sampling the tea at the end of the talk. There are lots of points about Fair Trade that we in this country don't think about. We are able to just go and buy the things we want but in poorer countries this is not so, but by buying Fair Trade we help these people with terrible working conditions to get a better standard of life. James has promised to come back next year and tell us all about Fair Trade Coffee. If you would like to sample some of the different teas, Northern Tea Merchants has a small tea shop at Crown House on Chatsworth Road in Chesterfield.

Time is running out if you would like to book the holiday with us to Llandudno in September. If you would like to join us please contact Liz ASAP.

Names for Melbourne Hall (£12) and Southport (£15) will be taken at the meeting on 9th April, anyone wanting a day out can join us, please contact Liz.

If you would like to come along to any of our meetings or just on the outings where you will be made most welcome or, have a copy of the programme please contact Liz 01335 346078

Class 1 (aged 4-7) have been writing poems about weather. We would love to share some with you. We hope you enjoy them.

On Monday snow came drifting.

On Tuesday a rain cloud went over the town.

On Wednesday it was sunny and it nearly burnt my face.

On Thursday the weather was perfect.

On Friday the sun was scorching and it made me happy.

By Henry Lammond.

Let the rain surround you.

Let the rain make you feel happy.

Let the rain make you soggy and cold.

The rain makes dark puddles on the ground.

The rain makes huge floods on the road.

The rain makes many puddles in beautiful Kniveton.

By Troy Brown

The sparkly snow

The snow drifts down onto the rooftops and on you

And on the pavement and on the ground.

The sun comes out and dries up all the snow.

We had a lovely Summer.

By Eleanor Smith.

On sunny Sunday

On Sunday the sun was golden and hot.

The sun was hot like a fire.

The sun is huge like a beach ball.

The sun is round like a face.

On sunny Sunday we can sunbathe and play in the green grass.

By Ellen Carroll

Relief Cleaner Required

Kniveton Village Hall needs a relief cleaner to cover for holidays, illness etc.

Please contact Mrs Nancy Bradbury 01335 344166
for further details

Bradley Church - Theft of Lead from Roof

Sometime during the night of Tuesday 28th April, a large quantity of lead was stolen from the roof of Bradley Church. If anyone saw anything or anyone suspicious in the days running up to that date - please get in contact with Rev. Phil Michell.

If you see anyone acting suspiciously near any of our churches, please take down as many details as you can, and let Rev Phil Michell know, or if it is more urgent, call the police.

KNIVETON Cof E SCHOOL

REPORT TO PARISH MEETING 2015

The School remains in good heart despite ongoing financial challenges but there is nothing new in that

The School currently has 64 pupils and would welcome more, The School continues to produce excellent results and in the last OFSTED inspection was rated Excellent. A new OFSED inspection must be due soon and we will rise to the challenge

The Head Teacher , Mrs Lynn Board continues to lead by example and inspire Pupils, Teachers and Parents. The Governing Body are fully supportive of all the hard work Lynn and her team put in to maintaining what is one of the best Primary Schools in the area. We are grateful to Lynn and her staff for all they do and how they go the extra mile

Sue Cartlidge retired last September and the new Teacher Laura Firth is having a tremendous impact on Reception and Class 1 pupils

The School remains active in the community and the wider community as well as maintaining its international links with the Gambia and elsewhere

The School is well supported by the Governors, the Parents and the Friends of Kniveton School whose fund raising helps the School in so many ways. Improvements to the School fabric continue to be made for the benefit of all and keeping the children safe is a primary objective of the Governors and Staff

The new sports facility is well used and very popular and the School are indebted to the Parish Council for allowing this facility on their property and to the Village Hall for the use of the Hall Without the support of the village the School would not be the success it is and continues to be

We are fortunate to have as volunteers such a multi-talented Governing body who work tirelessly to balance the books, improve the site and help the School in so very many different ways

The School faces another challenging year ahead and welcomes the help and support it gets from the Kniveton community and beyond

Lewis Rose

Chairman of the Governors

Chapel News

Just advance notice of a Mission Service, to be held in the Village Hall on **Sunday 13th September at 2.30 pm**. Following very the generous donations received at our Christmas service for relief in Sierra Leone to help with the ebola crisis, we have invited the Rev. Chris Eddy to take the service for us and tell us something about how the people there were affected. Mr David Bale, who also supports a project in a village in Sierra Leone, and who received part of the donations, will also take part and tell us how the money was used. The collection at this coming service will also be given to Chris for his contact in Sierra Leone to be used in the school. We invite you to stay for refreshments after the service; please stay and share hospitality, and talk to Chris and to David about their involvement.

Betty Hadley, on behalf of the chapel members.

KNIVETON ALL VILLAGE GARAGE SALE

The Church will be running the table top/garage sale on bank holiday Monday 31st August). The sale will start at 9am with the Red Lion opening a little later for coffee and bacon butties. Please contact June Holman 300818 for further details.

You are encouraged to have a stall outside your house to sell whatever you have, The cost will be £5 per table and someone will be around to collect this after 9am.

You do not need to tell anyone in advance about you stall just set it up and sell all your unwanted treasures.

Please be aware that there will be a lot of visitors to the village that day and be very careful about the security of your home.
