CHARLOTTE'S CARROT CUPCAKE RECIPE

Carrot cupcakes - a lower calorie, lower fat, higher protein & delicious version

So Christmas has been and gone, the chocolate stash is dwindling but the shops are already stocking Easter eggs, so it'll soon be restocked! January usually sees a change of diets as many people opt for healthier versions of their favourites. One of my top choices is carrot cake, not the typical coffee shop type, that's almost as big as the plate and can hit you with as much as 600cal per serving, but this recipe, which I've adapted over time

Ingredients - makes 16-20 depending on which cases you use

125g sugar

250g quark

25g oil (I use odourless coconut oil, you'll need it warmish so it's liquid, but sunflower oil originally)

100g of apple purée (either homemade or a shortcut is to use a pouch of apple baby food!)

3 medium eggs

Dry:

250g self raising flour

(I use a gluten-free variety which works well in this recipe with + 1 tsp of xanthum gum which is a baking aid in gluten free baking, available from Natural Choice & M&S)

1 tsp bicarbonate of soda

1 tsp baking powder

1 tsp cinnamon

1 pinch salt

zest of 1 unwaxed lemon

zest of 1 washed orange

Fruit & nuts:

3 medium sized carrots thinly grated

1 apple grated

75g raisins

75g walnuts crushed/processed

Icing ingredients if using (see bottom of page)

Pre heat oven to 170fan & use a mixer or a hand held whisk, you'll also need two x 12 muffin tins

1 start by crushing the walnuts, grating the apple and finely grating the carrots

2 mix the sugar, oil and quark together

3 add eggs and mix in

4 in a separate bowl mix all the dry ingredients together and then add this to the first bowl & mix together (or if you'd like to save on washing up, add the flour on top, then place bicarb, baking soda, cinnamon, salt & zests on top of the flour & using a spoon, gently mix these into just the flour level first, then whisk it all together)

5 finally, mix in the carrot, apple, raisins, walnuts

6 if using paper cupcake cases, spray them with a cake release spray or brush with a little fat. I like baking cups which are grease proof coated so non-stick

7 check after 15 minutes, cupcakes should have risen well & taken on a warm brown colour, but not too dark. All ovens vary they may need up to 10 minutes more, dip a toothpick into the centre of one and it should come out clean if the centre is cooked through.

Leave to cool, eat un-iced (can be frozen un-iced) or choose one of the following icings

200g cream cheese, 100g very soft butter, 125g icing sugar, 2 TBSP lemon juice (my choice!)

250g quark, 3 sachets (33g) low cal white hot choc powder

Nutritional info: 1 un-iced serving 187cals, Fat 5.3g, Carbs 29.1g, Protein 5.3g

VILLAGE HALL CLEANER REQUIRED

Since the village hall was built in 1991 Nancy Bradbury has cleaned the village hall and it is a credit to her that it is in the pristine condition it is now.

The school and the village hall committee are extremely grateful for all her dedication and hard work over so many years in keeping the village hall immaculate.

Due to a recent increase in family commitments Nancy reluctantly feels she can no longer devote the time needed to maintain the village hall. She will still be involved with the village hall as booking secretary and a valued member of the committee.

As the village hall is used by the school the cleaning hours will be approx 1 and a half to 2 hours a day in term time at £10 per hour. Extra hours will be available after hirings and private functions.

For further enquiries or information, see Nancy at the village hall between 4-5pm on school days or contact her on 01335 344166 or contact the Head Teacher Lynn Board.

I would also like to mention that the village hall annual general meeting is on April 6th 2017 at 7pm. It would be great to see some new faces on the committee! It's not the most demanding job but **SOMEBODY** has to do it! The village hall will not run itself.

Please come to the meeting or contact any committee member; Mr I Stafford, Mr D Bott, Mr D Holman, Mrs N Bradbury, Mr J Bradbury MBE, Mr Lewis Rose OBE, Mrs A Williasm, Mrs L Board or Mr R Frampton.

Ian Stafford (Secretary)

Thank you.

UPDATE ON RESOLVING THE B5035 SPEEDING ISSUES

Absence of white lines and cats' eyes: there have been mixed reports: there were problems with the road "disappearing" when entering the village from the Hognaston direction in the fog, and two articulated lorries travelling in opposite directions had great difficulty passing each other when both were too far into the middle of the road. However, some people have said that they have felt the need to drive more slowly, and the fact that lorries are driven further away from the pavement makes walking though the village more pleasant. When all the appropriate measures have been put in place and there has been time for their effectiveness in reducing speed to be assessed, the situation with the lines and cats' eyes will be reviewed, so do keep your comments coming in to any parish councillor.

20mph school safety zone: the county council has been unable to say when the work will be carried out, but we hope that it will be soon.

Rumble strips: we are still discussing with the county council the need for these to be more obvious.

Village signs: work on the design and installation of these is progressing..

Community Speed Watch: more sessions are scheduled to take place.

Flooding of the road above the Hillocks: the mitigation works have been carried out by the county council, and we wait to see their effectiveness. Do report any concerns or problems to the county or parish councils.

SPEEDWATCH

THE POLICE HAVE BEEN VERY HELPFUL ABOUT THIS BUT AT PRESENT THERE ARE ONLY 3 PEOPLE IN THE VILLAGE TRAINED AND 2 WILLING TO DO IT ON A REGULAR BASIS. We really need some more please contact

Joanne.Dales.4495@Derbyshire.PNN.Police.UK if you would help.

It's one training session and then an hour now and again

KNIVETON PARISH COUNCIL

The meeting of Kniveton Parish Council took place on Tuesday 24th January 2017 and the following items were discussed:-

Digital Derbyshire – Representatives from the Digital Derbyshire project addressed the meeting. See separate article.

Parish Field – The refixing of the goal posts still outstanding.

Defibrillator – External cabinet for defibrillator to be mounted on Village Hall outer wall. Familiarity training for residents in using a defibrillator to be organised at the next meeting.

Vacancy – Interviews for Parish Clerk position to take place early February.

Highways – See separate report on B5035. Reported that an overgrown hedge on the main road at Stoneycroft Manor continues to present a hazard.

Discussion and decision made on suitable signage for entrance/exit from village. Cost to be met from DCC grant, recent local fund raising event and parish council funds.

Footpaths – Reported that the bridleway at the top of Madge Hill by the sheep pens is in need of some resurfacing. Proposed that the parish council provides the materials for the farmer to make good the surface.

Finance – Payments and balances to 24th January 2017 were presented and approved by the meeting, proposed Cllr Howe, seconded Cllr Vaughan Resolved that there should be no increase in the Annual Precept for 2017-2018 remaining at current level of £4295.00.

Planning

16/00912/LBALT – internal and external alterations for Mr & Mrs S Griffiths at Brook Cottage, Pethills Lane, Kniveton. *The Parish Council raised no objections to this application.*

16/00880/FUL – Conversion of outbuilding to single dwelling house for Mr & Mrs Bennett at Ladycroft Farm, Main Street, Kniveton. *No objections raised by Parish Council to this application.*

16/00840/FUL – Erection of detached annex, single storey extensions for Mr A Staniforth at Croft Dene, Main Street, Kniveton. *No objections raised by Parish Council to this application.*

The following two planning applications prompted a deal of discussion with representations made by residents objecting to the proposals.

16/00929/FUL – Use of land as a touring caravan site with amenity block, waste disposal point and recycling area for Mr Leahy at Camp Site, The Ketch, Ashbourne Road, Kniveton

16/00930/FUL - Erection of 9 holiday chalets, alterations to Kings Head Lane access, parking and landscaping for Mr Leahy at the Campsite, The Ketch, Ashbourne Road, Kniveton

Councillors were unable to support these planning applications on the grounds of a) Visual effects on the area b) highway safety issues c) effects on existing buildings and d) nature conservation issues.

Transport on Demand – See separate report from Cllr Radcliffe.

Kniveton Newsletter – Councillors wish to record their sincere thanks to Mary Vaughan for her work in compiling and editing the village newsletter over the last 16 years

DIGITAL DERBYSHIRE AND OUR BROADBAND SPEEDS

Representatives from Digital Derbyshire attended the recent parish council meeting to provide an update on the roll out of fibre broadband. They highlighted that Kniveton was initially identified as being part of the commercial roll out of fibre, therefore under EU and UK rules it was removed from the first phase of the Digital Derbyshire programme. The village is fed from Ashbourne cabinet 4, which was upgraded as part of BT's programme, but the cabinet is situated 2.7 miles away, so residents don't benefit from an uplift in speeds.

On a positive note, Kniveton is included in Digital Derbyshire's second phase of work which lasts until the end of 2018. The initial planning for the structure is currently underway, and Digital Derbyshire will keep the parish council informed with developments. One point is that the village is not due to be fibre enabled until the summer of 2018.

As an interim solution, central government has committed to giving a broadband service with at least 2Mbps download speed to every premise in the UK. This is via a voucher scheme which residents can redeem (up to £350) with independent suppliers of either wireless or satellite. The voucher covers hardware, installation, commissioning and activation – not the ongoing monthly costs. Residents can find out more on the Digital Derbyshire website, under the Better Broadband Subsidy Scheme: www.digitalderbyshire.org.uk

BT has a community fibre partnership programme which is included in the Better Broadband Subsidy Scheme outlined above. This is where the community can contribute towards a fibre structure being installed in the village. BT does make a financial contribution to the cost of the installation of fibre, especially if a primary school cannot obtain download speeds of 2Mbps. Further information is available via BT's website: www.communityfibre.bt.com

Digital Derbyshire did emphasise that the voucher scheme is per premise, so the village could pool their vouchers to achieve an interim broadband solution.

The Get Together Club

Thank you to Kniveton Parish Council and NDVA for their donations to our funds.

Our Christmas lunch was held at the Red Lion in Denstone this year. The meal was absolutely brilliant and the staff looked after us really well. Unfortunately Edna Frampton was taken ill but has since recovered and is now out and about again.

Our holidays in May to Eastbourne and September to Scotland are now fully booked and we have a waiting list. If you were thinking of coming with us put your name down on the waiting list as soon as possible,

The Get Together Club would like to thank Mary for the sterling job she has done over the last few years with the Kniveton News Magazine. Mary hasn't missed an issue and has always managed to deliver the magazine one way or another in all weathers. Thank you Mary and we all wish you a happy retirement. We would also like to wish Hannah and Kevin luck when they take over the running of the magazine.

Our programme for the next few months is as follows:-

- 9th February - Lunch at Ex Service Men's Club, Ashbourne
- 9th March - Lunch at Red Lion, Kniveton
- 13th April - Afternoon Tea at Hogg's Bistro, Breaston
- 11th May - A day in Llandudno

If you are interested in any of our meetings or would like a copy of the programme please contact Liz (346078).

VILLAGE BBQ

Because of family commitments and a busy work schedule, it is with regret the Griffiths Family won't be able to host the

Village BBQ this year. But they will be OK for 2018. So if anyone would like to host the BBQ this year please have a word with either Doug and Lesley, Mike and Mary or myself. Botty

KNIVETON SCHOOL NEWS

In school we are working on a new R.E. project called, 'Understanding Christianity.' This has been developed by Derby Diocesan. At the moment all our classes are competing the *Incarnation* unit.

Class 3 have been writing newspaper reports about the birth of Jesus and we thought we would like to share one with you all:

Last week I met a very inspirational couple, Mary and Joseph, who followed the advice of the Lord and proceeded, after lots of struggles, to give birth to our saviour, Jesus Christ. Yesterday one of our reporters interviewed Joseph about his decision to reconsider his marriage to Mary.

He stated, 'When I first heard that Mary was having a baby by the power of the Holy Spirit I planned to secretly divorce her. Luckily, in a dream, an Angel of the Lord spoke to me and told me that we must name him Jesus and that he would be great to the people of our World.' When Joseph woke up he followed this advice and took Mary as his wife.

Jesus was born in Bethlehem in Judea. When the Word spread about him some Wise Men from the East came to Jerusalem to worship him. These men asked Mary and Joseph, 'Where is the baby who was born to be King of the Jews? We saw his star in the East and followed it.' Later that day one of our reporters interviewed these Wise men about their travels and duties to the King.

'We have been on many interesting journeys throughout my days but this journey was the best,' he stated. Another explained about their duties to the King but didn't reveal much information about him.

Next we travelled from the Innkeeper's barn into the crowded streets to learn why everyone had continued to travel to their home towns. One citizen explained, 'This is a very important gathering for the lives of the people and we are here to be counted. Then we travel back to our homes.' Another clearly said, 'This is a very important few days and it is a good opportunity to meet old friends.'

Meanwhile, a few of us travelled on the journey to the Castle of Herod to see what his view of this was. The grey stone on the walls glimmered with blood of ancient trespasses and the entrances were heavily guarded by people with gleaming SWORDS. After being thoroughly checked through we had an interview with Herod. 'He is a snatcher and I am going to kill him,' he bellowed before we were chucked out of the building.

We have also been thinking about our role models and heroes. A lot of the children chose famous people but some, which I was very touched by, chose a family member. Here are a selection and the qualities these people have that makes them considered to be a good role model/hero:

Rosie Marsh chose Anna Kendrick. Alice chose Kate Winslet. Charles chose Ray Mears. Ilo and Sam chose Nymare Junior. Dylan chose Paul Pogba.

Oliver Coleman chose his Mum;

She is:

Caring because she puts your clothes out for you; generous as she says that she didn't get you anything then gets you loads of stuff; patient as she watches all the adverts even though she can skip through them; loving as she cares for me and considerate as she always gives you the last nugget in the share box.

Chloe Carrington chose her mum because she is helpful as she helps to feed the animals; caring as she looked after my Grandad when he was ill and looks after everyone else; loving as, after school, she will give me a cuddle and a kiss; generous because for Christmas she got me something very expensive and she is hard-working as she spends time with me and my family.

Isabelle Savidge chose her Grandma as she is determined -Whenever she starts a painting she will never give up; hard-working as she loves Art and does it every day; talented as she has done over 100 paintings including a brilliant painting of Alice. (In Pizza Express!) Brave when she broke her hip; a family woman as she is always wanting to see us; helpful when James and I do art; loving because whenever we go to her house we get Lucozade and she is active even though she is 70 -She loves a good old Nordic walk with friends in the morning!

Zoe Sawford chose her Great Nan because she is giving –she always gives me money; a family person as she would spend time with us; warm hearted as when I'm up she made me happy; brave because she lived on her own for 20 years; loving as she was always there for me; a good listener as she would always listen to me and kind as she always put other people first.

Thomas Greene chose his Dad because he helps me cook food, is very healthy (sometimes!), works until one in the morning to get things done, really likes doing Air fix with me, gave up his job to train to be a triathlete and is a good Dad .

Callum Sutton chose his Dad because he is loving as he always gives me things; courageous because he was in the army; brave as he never gives up; hard-working when he cuts the

Callum Sutton chose his Dad because he is loving as he always gives me things; courageous because he was in the army; brave as he never gives up; hard-working when he cuts the hedges; a family man who spends as much time as he can with us; determined because he

had to make a seat go up and down by pressing a button and he is generous as he gives me money for doing jobs.

Evie Mosley chose her Mum because she is patient-waiting until the day she could go to work; talented for being very good at her job and skilful; loving because she loves everyone with all her heart; brave from her operation and she got through it; hard—working because she works as a cleaner and makes the place spotless and she is caring as she cares for her family and friends. She is also generous as she lends people things.

Lewis Dreuitt chose his Great Grandad as he was willing to risk his life in WW2; skilful because he hid under motor bikes as the enemy walked by; courageous when he fought for his country; brave to jump out of a lane into battle; a good leader who led soldiers; a family man and courageous as he fought for his country.

Lucas Bright chose his Dad as he is successful—he always finished his work; loving as he says I love you to me every night; hard-working as he drives a long way to work every day; caring as he always loves you; a family man who is always home for dinner; determined to do more and more and patient because he waits for us after school.

Martha Bottomley chose her Grandma who she says is generous- always giving me spending money; brave as she got evacuated in WW2; hard-working as she was a nurse; skilful when she makes really nice chocolate cakes; kind as she gives me presents and remembers my birthday; patient and very calm to everybody and loving to everybody.

Jay Foster chose his Mum because she is skilful-she can play football; hard-working as she keeps the house tidy; brave when she picks up spiders in the house; caring because when we are poorly she takes care of us; loving because she cares for us with all her heart; patient when she wants to talk to someone; a family woman is always with us and always watches a film with us and kind as she gives us what we want.

Daisy Jasper chose her Dad as he is caring-he's always so nice to Edmund and me and makes sure we are happy; brave-he is going to the Himalayas in about 6 weeks; determined as he always carries on even if he is tired; a family man who is very considerate; skilful—he used to work as a teacher; dedicated because he goes away on these long journeys abroad quite often ; adventurous as he always taking us up mountains and hiking and he is hard-working as he has worked through a lot of jobs to get where he is today.

I am sure you will agree that all these family members sound wonderful and it lovely that the children consider them their heroes/ role models.

Kniveton School and everyone in it would like to thank Mary Vaughan for all her dedication and hard work producing the village newsletter over the past years. The children love seeing their work in print and enjoy sharing our work in school with everyone in the village. Thankyou Mary.

KNIVETON WI

At our first meeting in 2017 we welcomed another visit from our vicar, Phil Michell, who showed us slides and told us about his visit to the Holy Land. It really was most interesting seeing places we had all heard about in the bible. We can now imagine how events happened. He also showed us a slide where the Dead Sea Scrolls were discovered in some remote caves.

Since our last meeting members attended the Dovedale Group (Ashbourne area of W.i's) Carol Service at Tissington where we enjoyed the service along with the villagers, even Sir Richard was helping with giving out mince-pies etc after the service. At the beginning of December our members, together with the Dovedale Group, enjoyed a visit to Kedleston Hall to see the Christmas decorations. The 'icing on the cake' for us was the Wirksworth choir singing Christmas carols / songs in the main hall. A most enjoyable day out.

Our next meeting is in the afternoon when we are visiting Hopton Hall to see the snowdrops and enjoying refreshments in the cafe afterwards

Following a couple of nasty accidents in the village in January we would like to wish Matt Pilkington and Ian Mellor all the best for a swift and full recovery.
