KNIVETON'S ONLY NEWSPAPER

APRIL - MAY 2018

Dicky Marsh - being carried to an ambulance in Dave Bott's Tractor after snapping his achilles tendon.

Hello Knivetonians,

My best news for this edition is Kniveton News is in a very healthy position financially and with various grants, awards and donations we have enough in the coffers to continue printing the newsletter for the rest of 2018 and into 2019. Thanks to everybody who has helped or contributed to this.

After a well attended meeting in the Red Lion and plenty of people volunteering for the various jobs, the Village BBQ will be going ahead. See the back page for more details. The date is Saturday 16 th June - hopefully we'd have seen the last of the snow by then!

Richard “Dicky” Marsh

(1947 – 2018)

Sadly and unexpectedly “Dicky” passed away on 12th February 2018.

He will be dearly missed by Sue, Philip, David, Christina and, of course, his two granddaughters.

A memorial service was held at St Oswald's Church on Thursday 8th March, which was attended by almost 300 people. This was testament to the high regard in which he was held by so many in the community. Donations totalling £1400 were gratefully received and have been equally split between Arthritis Research and Kniveton Church.

It seems only right to include, possibly, the final chapter of the “Barn Telegraph” in memory of Dicky (composed by Ian Stafford).

*Sad that Dicky's Passed Away And Through The Emotion And The Tears
We Are Thankful For That Lovely Man, Who Made Us Smile For Years.*

*Successful in His Business, And A Devoted Family Man
To Sue & Family We Give Love & Support As Only Friends & Neighbours Can.*

*With His Cheeky Grin and Mischievous Eyes, Dick Was Always Game for a Laugh
He Was the Reason We Started Reporting Here at His Beloved ‘Barn Telegraph’.*

*So Many ‘Dicky Moments’ Have Been Reported Here:-
From Nobby and His Nestbox to Dick’s Adventure in Ikea!*

*So Farewell Dicky (R.I.P) you Were a True Friend and Good Sport -
Could This Be The Final Chapter Of The ‘Barn Telegraph’s’ Report !!*

RIP Dicky Marsh.....

The Millwards

Greetings from Cheshire,

May I ask, please, if there is anyone in the community who can help me to trace my ancestors in the 18th and 19th Centuries ?

Outside Tissington Church at the top of the hill there is a memorial stone to John Mil(l)ward 1766 to 1841. I understand that he had lived at Horsley. There is also a memorial to Margaret Milward 1738 to 1857 who may have been his wife. My 3x g grandparents were named John and Margaret but I cannot find proof that the two people buried at Tissington were married to each other or any positive references to John's siblings or children. In the 1841 census there is a John, a farmer, at Horsley of an appropriate age and without a wife. I have collected many more details of the Milward families in and around Kniveton and would be happy to share them with anyone interested.

Thank you for reading my appeal.

Best wishes,

Eric Millward of Marple, Cheshire

(If you have any information please contact Kniveton News and we will pass it on to Mr Millward)

Thank You

Many thanks to friends and family for help and support since my recent hip operation. It couldn't have been at a more inconvenient time of year with the first sheep lambing on the eve of my operation (March 13th). Since then I am indebted to Dave Bott, Pam and Laura for taking full responsibility of looking after the sheep which has been made more difficult with the recent return of the freezing cold weather and drifting snow. I feel very guilty and frustrated sitting in the house while they were working the long hours day and night lambing but they are coping very well and I am grateful to them. It is also reassuring that other farmer friends are on hand if necessary.

Thanks once again to everybody who is helping us in any way whilst I recover.

KNIVETON WI

At our February meeting our speaker was John Barnett of Kniveton, his topic was "Female Transportation to Australia and Tasmania" and it was really interesting. The reasoning behind the transportation was mainly to colonise the area now known as New South Wales. Most of the prisoners were sent as an alternative to hanging! In the 18th and 19th century the crime rate was high and hanging and exile was a solution to overcrowded prisons. It was cheaper for the government to transport the prisoners as they only had to pay for the journey. The first 11 ships contained over 500 men and less than 200 women. Many of the women had only committed petty crimes, some as trivial as stealing a handkerchief.

The men and women were kept on prison ships in port over here whilst waiting to be transported. The journey took 8 months and many of the prisoners died before they reached their destination. John told us that when he was researching the records he found a woman from Ashbourne was amongst the first women prisoners to be transported to Australia. There is so much more to John's story so if you ever get a chance to hear his talk on this topic you won't be disappointed.

The speaker for our March meeting was Sally Moseley of Peak District Guided Walks. Sally came to us last June and her talk was so good we asked her to come back again. This time, her talk accompanied by some lovely photographs, took us on a delightful 30mile circular walk from Bakewell.

She had so much information of the area; its history, geology and legends too; it was fascinating. Quite a lot of the walk was through the beautiful Lathkill Dale. The evening made us realise how lucky we are to have so many wonderful walks on our doorstep with such beautiful views.

If there are any ladies who would like to join our friendly group, please come along to one of our meetings on the 3rd Wednesday of the month at 7.30pm or ring Alison on 01335 345908 or Susan on 01335 348442.

Derbyshire Dales

District Council

Local Projects Fund

The District Council Local Projects Fund enables Derbyshire Dales District Councillors to assist community led initiatives to deliver their ambition in the area they represent. Each year £900 is allocated to each Councillor to support projects or initiatives in their Ward that will benefit the local communities. The Scheme provides for a wide degree of flexibility and can be used to support one off projects or those that support the development of sustainable longer term projects that are seen as valuable to the area.

Who can apply?

Applications can be made by local groups and individuals that are based within the Derbyshire Dales area providing they can demonstrate community benefit. For example

- Parish/town councils (for specific projects only)

- Young people's groups – scouts, guides, boys and girls brigade local organisations

- Locally based charities

- Benevolent societies

- Individuals

Organisations that are not eligible include:

- Political parties and organisations with political aims

- Any organisation that raises funds for national distribution

- Single issue pressure groups

- Any group formed to oppose any proposed or likely District Council policy

- Other public sector bodies that deliver core services

What types of projects / initiatives are covered by the scheme?

Groups and organisations can apply for funding for both revenue (one-off) and minor capital projects. Revenue grants should generally be used to support short term project related costs. E.g. equipment, transport, advertising, goods and materials.

It is expected that the grants will benefit a wide range of groups/activities. For example, vulnerable children or adults, young people, facilities for older people, community facilities, parish councils (but only for specific projects), local environment projects, and innovative events which may promote community spirit or bring economic benefit to the area.

The scheme may be used to facilitate match funding from other organisations, but match funding is in no way a requirement.

The application process

Organisations/groups applying for a grant must complete the online application form which will then be forwarded to the relevant local Councillor(s) and a decision is likely within two weeks.

The application deadline for the 2017/2018 financial year has now passed. Any new applications will be considered in April 2018 when the new financial year begins.

How will applications be judged?

Applicants must demonstrate that their project will have a positive effect on the inhabitants of their local community and be within the Derbyshire Dales Area. The applicant must also be in a position to sign that in the event of a grant, all terms and conditions will be complied with.

The relevant Councillor(s) will judge the application in liaison with officers and will make a decision on whether to award a grant.

How much can be awarded?

The minimum grant payable is £100 and the maximum grant payable is £1,000. Payment of grant will be made by BACS and bank account details will be requested once a grant award has been confirmed.

Terms and Conditions

Derbyshire Dales District Council retains the right to reclaim, at any time, all or part of the awarded money which was not spent for the purpose it was awarded.

Any grant awarded is subject to:

The availability of funds within the respective Councillors Local Projects Fund allocation

It being used for the benefit of residents of the Derbyshire Dales and particularly the residents of the Councillors electoral Ward;

It being used for the specific purpose for which it was requested and granted;

It being spent within the financial year the grant was awarded. Any request to vary this condition will need to be submitted in writing and agreed by the Head of Resources

Derbyshire Dales District Council being publicly recognised in any and all publicity regarding the Local Projects project organised by the District Council or applicant

It being recorded in any records or accounts which will be made available for inspection by the Council if required

An acknowledgement that the grant award is a one off and does not imply a commitment to any future funding. Repeat requests within the same financial year will not be considered.

The applicant providing an End of Grant report to the District Council on how the money has been spent and what outcomes were achieved

Applicants are also asked to note that the District Council is not able to undertake feasibility work to assess the merits of an initiative/project, nor to assist applicants in making their bid beyond advising on the application process.

Please note that there are no rights of appeal against decisions made by Councillors.

KNIVETON CHAPEL NEWS

Since the last issue we have had a letter from Mrs Broad to say that, following a visit by staff from the school to Gambia, 2 donkeys and carts have duly been purchased in memory of Sister Merle, for use by the villagers. They will be invaluable in providing transport, for instance, to school, market, and hospital visits. Help and guidance will be given by the donkey sanctuary to ensure that they are properly cared for. We trust that this will make life easier for the villagers in many ways.

It was also a special joy for chapel members to be invited to the school to share in a ceremony, when a dwarf apple tree was planted in memory of Sister Merle. Rev. Tim was invited to plant the tree, helped, of course, by the children, who ensured that it was well trodden in! We are hoping that, in addition, some snowdrops from Sister Merle's garden can be planted around the tree. Thank you to the staff and children of the school for this very special tribute.

Merle loved going into the school, and talking to the children about her exciting African adventures. She was an excellent story-teller, and will be much missed. The children obviously have happy memories of Merle. We hope that an apple/s from the tree will be able to grace our harvest table in October (14th at 6.30 pm). Mrs Broad referred to it as The Golden Apple!

Betty Hadley.

The Get Together Club

For our first meeting of the year we enjoyed afternoon tea at Parky's in Cromford. We could choose either savoury or sweet and each was as nice as the other, the portions were so big we all left with doggy bags, The meeting in March saw us off to The Gate in Tansley where we all enjoyed a hearty lunch. We would like to thank Councillor Lewis Rose OBE for his very kind donation to our transport costs.

The next trip is to Bletchley Park and this is proving to be very popular.

Everyone is always welcome and you can pick which trips you like even if it's only a holiday. Trips for the following 3 months are as follows:-

- 12th April - Bletchley Park (Leaving Kniveton at 8.30am)
- 10th May - Lunch at Merchants Yard in Tideswell
- 14th June - A day trip to Beverley, Yorkshire

The holiday for 2018 is to Tenby and we leave on 22nd June and return 27th June.

If you are interested in any of the above please contact Liz Howe (346078) Margaret Marriott (346413) or Pauline Pilkington (300088). If you would like a copy of next year's programme please contact Liz (346078) email: liz.howe1579@btinternet.com
