KNIVETON'S ONLY NEWSPAPER

DECEMBER 2018 - JANUARY 2019

# *Kniveton Parish Council*

The Parish Council met on 13th November 2018 and discussed the following:

Parish Council Vacancy – The Council unanimously agreed to co-opt Gill Bates as a Parish Councillor for Kniveton

New Reflectors – this will be chased up as no decision has been made on positioning from Derbyshire County Council

Parking on the junction of Pethills Lane and Main Street – residents are requested to park considerately so that traffic can pass by

Footpath 7 - The Council will continue to monitor the condition of the public footpath called the jitty which runs from Main Street, up the steps and round the edge of a field, which eventually reaches the caravan site. If you find the surface of this path to be so muddy and/or overgrown that you have difficulty walking along it, please can you report to the Parish Clerk, giving the location of the problem and the date on which, it was encountered.

Speed Watch – Councillor Nelson and a resident attended a police training session on 6 November 2018 making the total of trained people in the village five. A speed watch exercise will be arranged with the PCSO,

Footpath 38 – the signs warning of the hazards will be in place at the end of November

CCTV at the School – to address issues with graffiti the Council is to apply for funding for CCTV, so this could be monitored.

Finance - payments were presented and approved.

Minutes of the Parish Council meetings can be found on the Council's website. The next Parish Council Meeting is 7pm on Tuesday 15th January 2019.

## Residents of Kniveton

Peak Waste wants to keep residents up to date with its plans for a biomass boiler and drying floor.

The cost of wood to be collected from Peak Waste has had a dramatic turn around on the price we pay to have it collected and transported to Sheffield. This is because of the high demand for timber as a fuel in power stations across the UK.

We always felt that it would be more beneficial to Peak Waste if we could produce electricity from the boiler as well as heat to dry waste, but the cost outweighed the pay back. As technology progresses the cost to add on a power generation unit is coming down and the scales will be tipped in our favour.

So we have decided to hold off on the purchase of the biomass boiler for now and we are going to revisit it again in a years' time.

We will however still construct the building for which we obtained planning permission and use it to store cardboard and paper bales to keep them out of the elements.

## THANK YOU

Dave Bott would like to thank Chris & Kievah at the Red Lion for the party they put on to celebrate their anniversary at the pub with buffet and live music. It was good to see so many of the villagers supporting the event and we wish them continued success in the years to come.

## SEASON'S GREETINGS

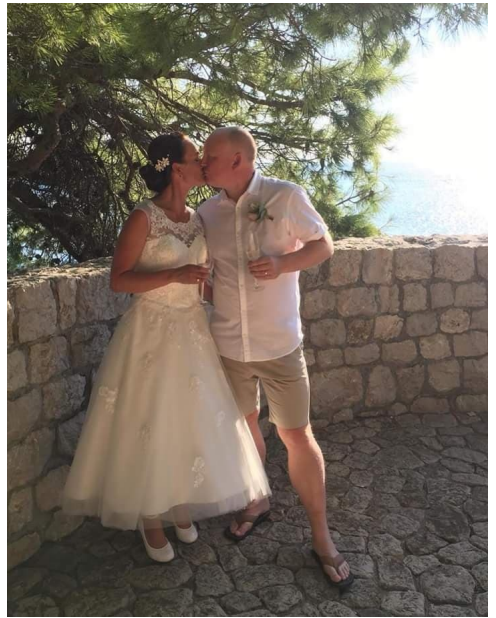

Mary and Michael Vaughn would like to send Christmas Greetings to everybody in the village.

Unfortunately, Mary won't be able to deliver Christmas cards this year due to her broken ankle.

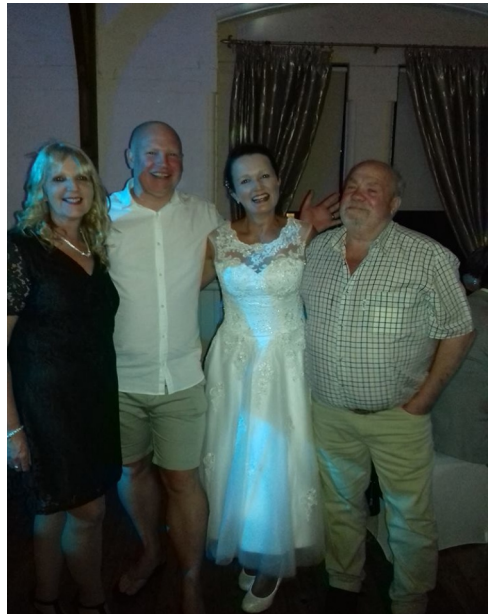

We wish her a speedy recovery.

CONGRATULATIONS  
to Gav and Adria who wed on November 9th  
We wish them all the best for the future.

Barry and Karen Wibberley's daughter Sam got married to Marc Elliott on 29th September in Dubrovnik, Croatia.  
On their return they held an evening reception at Spring Field Hall, Stapleford for family & friends.

# The Get Together Club

Our October meeting took us to the Shoulder of Mutton in Osmaston.

We all enjoyed a lovely lunch and just a very informal afternoon just chatting. Tina and Paul at the Shoulder really looked after us well and the food was really delicious.

November took us to Denstone Hall Farm Shop.

Once again we had lunch and just chatted then had a look around their new shop with all the Christmas goods for sale. Denstone is well worth a visit, we all really enjoyed ourselves.

We welcomed back Mavis and Harley Lowndes after a very long break following Harley's fall, this was their first outing. Although Harley was very tired when he got home he really enjoyed himself and has already booked for the Christmas lunch.

The 2019 holiday is now booked to Lostwithiel in Cornwall. We are going for 7 days and visiting lots of different places including the Eden Project.

For more details and to join us please contact one of us (details below).

**Everyone is always welcome to join us and you can pick which trips you like. Our new programme will be out after Christmas, if you would like a copy please contact Liz.**

# Chapel News

Our Harvest Festival and sale of goods were happy occasions, enjoyed by everyone who took part. There is something special about a traditional harvest, thought by some to be old-fashioned, that brings back happy memories of times past. The smell of the flowers and the fruit displayed in the church is something which makes us feel glad of God's continuous bounty. On the evening following the service we continued the weekend with our annual auction of goods, always an enjoyable evening, with David Bott in his usual entertaining form. Well done, and thank you D I oave. The proceeds of the weekend will be donated to a variety of charities, including local ones, e.g the school, the Kniveton News –and the maintenance of the church yard. Other charities benefitting include Action for Children, MHA ( which ministers to elderly folk) and overseas charities.

Thank you, if you took part in the service or the auction. You were, as always, very generous in the bids you made, enabling us to make a number of donations, which no doubt will be gratefully received.

On the day following the harvest we were delighted to welcome children from the school, who are learning about the history of the village and wanted to ask about how the chapel came to be built. It is an interesting story, and may make a future Kniveton News article. **(Editor - Yes please!)**

Our Christmas celebrations, and no doubt yours, are moving ahead. We only have two services in December, the first is on 9th December, at 2.30 pm, led by Mrs Ruth Barratt. Our candlelight carol service is on 16th December at 6.30 pm. Everyone is welcome at this service, led by Mr Peter Dawson. Come and celebrate with us. There is no service in the chapel on Christmas Day, but you can, if you wish, attend the main church in Ashbourne at 10 am.

You are as always, invited to take part in our annual Covenant Service, on 13th January at 2.30 pm when we dedicate ourselves to continuing our service to the Lord for the coming year, in whatever form that takes. Mrs Ann Parkinson leads our service on 27th January at 11 am.

We pray that you will have a very happy Christmas and a very happy and peaceful New Year. God bless you all.

**Betty Hadley,**  
on behalf of the Chapel Members.

## THANK YOU

We would like to thank the Chapel for their generous donation towards the printing costs of the Kniveton News

Their support is most appreciated.

At our October meeting we welcomed two new members to the fold.

Our speaker for the evening was our own member, Denise, who gave us a demonstration of her floristry skills. She made three different arrangements; a hand tied bride's bouquet, an autumnal arrangement on a large candlestick and a round low table arrangement. She gave us lots of little tips and wrinkles on the craft and showed us how to make our own corsages using flowers and foliage she had issued to each of us. We were all quite pleased with our achievements and the

three flower arrangements were raffled off at the end of the night.

On Wednesday three of our ladies attended the Dovedale group meeting in Ashbourne where the speaker was Sophie Draper, who is a writer. It was an interesting evening of stories and folk songs followed by a lovely buffet, as always, made by the ladies of Ashbourne WI.

Monday 12th November several of our WI joined the Ashbourne WI for a trip to Arighi Bianchi in Macclesfield where we had afternoon tea and a very interesting and entertaining talk by Mr Paul Bianchi and his son Nick on the history behind the business, which has been going for over 160 years and is now being run by the fourth generation of this Italian family. The family firm were very warm and welcoming giving us a lovely afternoon.

If any ladies would like to join us please come along to a meeting on the third Wednesday of the month, starting at 7:30pm, or if you prefer to speak to someone first, please ring Alison on 01335 345908 or Susan on 01335 348442.

# KNIVETON SCHOOL

All our children in Years 3, 4, 5 and 6 have been poets this term.

We thought we would share a variety with you. ENJOY!

## If

If I were a ringmaster with my crimson red cape  
I'd sing with my lion and play with my ape.  
If I were the Queen of high self-esteem  
I'd keep my glistening crown extremely pristine.  
If I were the Headmaster I'd take charge of my class  
And make sure they all learnt everything to pass.  
If I were the ship's captain I'd go full throttle through choppy seas  
And make my first officer say, 'Slow down please.'  
If I were the Head chef I'd cook scrumptious meals,  
For the men in suits and the women in high heels.  
If I were a farmer I'd work every day  
Feeding my animals and cleaning the hay.  
If I were Father Christmas I'd load up my sleigh  
Delivering presents as the sun rises to mark the start of the day.  
If I were a police officer I'd make sure thieves were caught  
And a serious lesson would be taught.  
Whatever I am I will always know  
That I will try hard to be the STAR of my show.

*By Scarlett, Year 6.*

## Quickly

Quickly the girl slams the door.  
Quickly the water spills to the floor.  
Quickly the wave crashes.  
Quickly the house burns to ashes.  
Quickly she puts on her belt.  
Quickly the ice-cream melts.  
Quickly the waves take in the sand.  
Quickly the magician waves his wand.

*By Khadija Year 4.*

## Draw back the curtains

Maybe outside there's a tree,  
A chicken house, a dog lead or  
A ginger puppy.  
Draw back the curtains.  
Maybe a chicken is pecking the ground.  
Maybe you'll see a young child,  
Or a colourful pheasant,  
Or the picture of a house.  
Draw back the curtains.  
Even if there's a black torch,  
At least there'll be some light.

*By Rory, Year 4.*

## If

If I were a shape I'd be a sphere  
I'd be a football soaring into the sky.  
I'd be a bubble in the tail of a shoal.  
I'd be a blind eye of a digging mole  
If I were a sphere.

If I were circle I'd be a rainbow, sparkly  
hoop.  
I'd be a china bowl full of soup.  
I'd be a keyhole of a chicken coop,  
If I were a circle.

If I were a rectangle I'd be a  
cobwebbed, dusty book,  
Waiting for people to take a look.  
I'd be a tray of the bakery's cook  
If I were a rectangle.

*By Heather, Year 6*

## If

If I were a shape  
I'd be a rectangle.  
I'd be a piece of paper being drawn on.  
I'd be a window letting light into a house.  
I'd be a box that cats play in  
If I were a rectangle.

If I were a shape  
I'd be a cone.  
I'd be a mountain reaching to the sky.  
I'd be a traffic cone stopping cars.  
I'd be an ice-cream cone giving children  
ice-cream  
If I were a cone.

If I were a shape  
I'd be a circle.  
I'd be a big chocolate cake.  
I'd be a pencil pot waiting to be filled.  
I'd be a pot hole in the road making  
cars bump up and down  
If I were a circle.

If I were star  
I'd be shining in the sky.

*By James, Year 6.*

## Quickly

Quickly the lightning struck the ground.  
Quickly the waves crashed onto the  
sand.  
Quickly my shoes fell to the floor.  
Quickly my Dad slams the front door.  
Quickly the rocket shot into the sky.  
Quickly my Dad said, 'Bye.'  
Quickly tears came as I began to cry.

*By Florence Miles, Year 4.*

## Kindly

Kindly the car lets people cross  
Kindly the zoo keeper feeds the animals  
Kindly the child gives up his chair.  
Kindly the girl gave her friend a present.  
Kindly the lady lets us cross.  
Kindly the dog does not chase the cat.

*By Charlotte Tink, Year 4.*

## If

If I were a King, of all sorts of things,  
I'd make guitars be everywhere.  
If I were the boss of pink candyfloss,  
Then the World would be pink all over.  
If I were one of the big wigs, of all the  
pigs,  
Their tails would not be curled.  
If I were the Queen, of everybody  
mean,  
Riots would go on from afar.  
If I were the boss of people who do the  
floss,  
They'd all be sent to Mars!

*By Jonah, Year 6*

## Draw back the curtains

Maybe a bird is flying in formation.  
Maybe you'll see a pond  
Or a shed  
Or the picture of life.  
Draw back the curtains  
If there's a view  
It will relax you.  
Draw back the curtains  
Even if there's only a boring sight  
At least there'll be light
