KNIVETON'S ONLY NEWSPAPER

JUNE - JULY 2017

(Maker))
Wm Beard
Kniveton Derbyshire
England. A.D. 1908.

THANK YOU

Barry and Karen Wibberley would like to say a big thank you for all his well wishes, cards, flowers (Alice x) after his operation, also to our paper girl Nancy, and to those that come to visit to keep him company.

A big thank you also to our girls Sam, Louise and Charlotte.

GARAGE WANTED

Wanted: a garage or similar for long term rent in the Kniveton area. Contact James Vintin on mobile 07861 691 245 or email vintin.james@gmail.com

KNIVETON PLAYING FIELDS

A lot of damage is taking place on the field and tennis courts. All is being repaired but within 24hours of being repaired all is damaged again. If parents know teenage boys and girls that are using the fields, repairs have to be paid for and it is criminal damage.

Also there have been broken windows in the bus shelter and around the school area damage is being done.

Do we not respect people's property any more?

John Bradbury
Chairman KPC

Hello Knivetonians,

First of all I would to thank you for the positive feedback I have had for our first issue as editor of the Kniveton News. I would also like to thank the Kniveton Parish Council for their continued support - both moral and financial!

As we now have one email address for all newsletter submissions, we found that Kniveton Diary work was being duplicated so we offered to relieve Margaret Farrington of her role. Margaret is not a village resident (though she does own a holiday let locally) but she has dutifully compiled the Kniveton News diary for a number of years. We'd like to thank her for all her hard work and hope that she continues to enjoy an interest in the village.

Hannah Barton

PS - If you are intrigued by the front cover - all will be explained later....

PARISH COUNCILLOR VACANCY

A vacancy still exists for a Parish Councillor on Kniveton PC

A person could be co-opted onto the council with out the need for elections and experience in such a role is not necessary.

Parish Councillors are keen to fill this vacancy and are particularly interested in receiving applications from newer residents who will bring a fresh perspective.

If you are interested in fulfilling the role please talk to a member of the Parish Council or contact the Parish Council Clerk, Kath Gruber, on 07595 515 154 or email kniveton.pc@gmail.com

DERBYSHIRE CC ELECTIONS

The recent DCC Elections saw no change of representation in the Wirksworth Electoral Division: Kniveton continues to be represented by Irene Ratcliffe (Labour).

Overall, Conservatives took control of the Council with 37 seats, Labour 24 and Liberal Democrats 3.

UK GENERAL ELECTION

The UK General Election takes place on June 8th 2017.

The Polling Station at Kniveton Village Hall is open from 7am to 10pm.

Candidates standing in the Derbyshire Dales constituency are:

Andy Botham - Labour Party - matlocklabour@gmail.com

Matthew Buckler - Green Party - matthew.buckler@greenparty.org.uk

Robin Greenwood - Humanity - (no contact details)

KNIVETON PARISH COUNCIL

CHAIRMAN'S REPORT 2016-17

This year has been extremely busy year with events and developments in our village. Once again, many social activities have brought people together throughout the year.

Fond Farewells and Welcomes

Kniveton bid a fond farewell to Parish Clerk Mike Severn who was a great asset to the village over the last fourteen years. The Parish Council wished him well in his retirement and welcomed a new Parish Clerk, Kath Gruber.

After 16 years Mary, our Kniveton News editor, has hung up her pen and handed over to Hannah Barton and Kev Woolley. The Parish Council wish Mary the very best and thank her for her time, energy and enthusiasm. We welcome Hannah and Kev and look forward to working with you.

Road Safety

The year began with discussions about how to best address road safety issues on the B5035 through Kniveton. As a result of feedback from local residents, a comprehensive list of possible measures has been raised for consideration by Derbyshire County Council and the Parish Council.

When all the appropriate measures have been put in place and there has been time for their effectiveness in reducing speed to be assessed, the situation with the lines and cats' eyes will be reviewed, so do keep your comments coming in to any parish councillor.

The Ashbourne Safer Neighbourhood police-led scheme agreed to make the reduction of traffic speed in Kniveton a priority. A Community Speedwatch scheme has been set up with village residents and the Police Community Support Officer resulting in drivers whose speed exceeds the limit being sent warning letters.

The 20mph school safety zone is now in place. We are still discussing more effective rumble strips with the county council.

Defibrillator

The Parish Council has purchased a defibrillator which will be positioned outside the village hall. Training for residents and our school staff in using a defibrillator has been organised.

Grants

The Parish Council supported local activities and initiatives throughout the year awarding grants to the Kniveton Newsletter, the Get Together Club and Churchyard mowing.

Keeping Our Village Beautiful

During this year the number of complaints the Parish Council received regarding dog fouling around the village has increased. New signs have been put up asking people to pick up after their dogs.

New Village Signage

Larger more welcoming signs have been purchased through generous donations and will be installed when Derbyshire County Council is able to do the work

I was delighted to be presented with the original painting that inspired the signs by the artist at the Parish Council meeting in March and have arranged that this will be displayed in the church.

Faster Broadband

The Parish Council has been talking with Digital Derbyshire and Kniveton is included in Digital Derbyshire's second phase of work (2018). In the interim residents can access a broadband service with at least 2Mbps download through central Government's voucher scheme which enables you to redeem (up to £350) with independent suppliers of either wireless or satellite. The voucher covers hardware, installation, commissioning and activation – not the ongoing monthly costs. Residents can find out more on the Digital Derbyshire website, under the Better Broadband Subsidy Scheme: www.digitalderbyshire.org.uk

Thanks.....

To Rob Kinsey for his drawing of the church that is on our new village signs.

To Richard and Ken Martin, from Peak Waste, and Lester Lowe for their generous contributions to the village sign.

To everyone in Kniveton who continues to support the village and Parish Council.

Mike Vaughan for his IT advice and support

To Parish Councillors for ensuring that the right decisions are made and implemented

To Mary, Hannah and Kev for keeping the village up to date with Kniveton News.

KNIVETON PARISH COUNCIL

ANNUAL GENERAL MEETING

The Parish Council held its Annual General Meeting (AGM) on 23 May 2017.

A new Chairman – Councillor Rhoda Bartlett and Vice Chair – Councillor Liz Howe were appointed.

The Council approved the following policies:

Standing Orders

Financial Regulations

Equal Opportunities

Freedom of Information

Code of Conduct

Scheme of Delegation

MAY MEETING

Following the AGM the Parish Council meeting discussed the following agenda items:

Defibrillator – the following was agreed:

1. Councillor Bradbury to arrange the installation of the AED in the unlockable cabinet purchased
2. To seek advice on security measures from the local PSCO.
3. A sign will be placed on the AED making it clear the machine SAVES LIVES to discourage criminal interference.
4. Additional training sessions for residents to be arranged
5. Over the next few months guidance on using AED to be placed in Village Noticeboard, on the Council website and Facebook page.

Parish Field

The Council are to seek advice on alternative flooring options beneath the play apparatus to prevent continued damage to the matting.

Bus Shelter

Broken window in Bus Shelter opposite the village hall – after the bird nesting season this will be bricked up.

Kniveton Parish Council is made up of six councillors and meets bi-monthly in Kniveton Village Hall. Members of the public are welcome to attend and participate.

The Parish Council is administered by a parish clerk/responsible financial officer. Also attending meetings in an official capacity is a DCC Councillor, a DDDC Councillor and representation from the local police force.

Dates of future meetings

(all start at 7pm)

Tuesday 18th July 2017

Tuesday 26th September 2017

(preceded by Parish Field Meeting)

Highfields Footpath

DCC have investigated the overgrowth and following the bird nesting season will review it again and instruct appropriate action to ensure it is accessible.

Parish Councillor Vacancy

There is still a vacancy for a Parish Councillor. The Parish Councillors are keen to recruit to this and are particularly interested in receiving applications from newer residents who will bring a fresh perspective.

Finance

Payments and balances were presented and approved. The annual audit finalised by the Clerk and Internal Auditor was approved and will be submitted to the External Auditors (Grant Thornton).

*Whatever you bring before God today:
thanksgiving, sorrow, a loved one, yourself -
light a candle and watch its flame:
let it be a symbol of what you bring to God.*

*But also remember that Jesus is
"the Light of the World"*

*So as the flame gives out light,
may the light of Christ shine in the darkness.
As the flame gives out warmth
may you know the warmth of Christ's love.*

*When you go, leave the flame lit
as your prayers continue to rise to God
and may His light continue to shine
in you, in this place, and in our world.*

OBITUARY: JILL CHARLESWORTH

Jill was the eldest child of Thomas and Eileen Bradley. Born in 1945 at home in Stubwood, she was followed over time by Wendy, Sandra, Carole and Andrew.

She went to Denstone Primary school before going on to Uttoxeter Girls' High School. After leaving school she worked for an Accountant in Uttoxeter, then moved to the Post Office there.

It was during this time she met Roy at a Young Farmers' Dance, dancing ensured and life took her in a new direction. They married in October 1968 and in December 1972 moved here to Kniveton, bringing up their 3 children, Diane, David and Karen on the farm. Over time, the family expanded to include sons-in-law David and Ashley and grandchildren Matthew and Katy. She was very proud of her children and grandchildren.

From the start, Jill played an active, supporting role on the farm which continued until recently, rising early to feed the calves and taking Roy and David a cup of tea as they were milking. She was also active in the community, helping with the church flowers, the Harvest supper and the whist drives. She was a member of the WI, serving as treasurer, programme organiser, secretary and latterly cookery guru. At 71 she was still baking mince pies and helping to deliver them to the "elderly" in the village. Jill was one of those people, who just got on with things in the background, quietly, unassumingly.

She liked to keep busy – she loved baking; her family mentioned her coffee cake, the WI

remember her lemon drizzle cake. She liked to grow things – her sisters talk about going to her for rhubarb, plums, damsons and raspberries. She was creative, making wedding and bridesmaids dresses for family, knitting for people, and attending needlework courses. Sadly her creativity didn't extend to electrical work – she once burnt a hole in Roy's penknife trying to fix the Hoover (she forgot to unplug it first) and she often managed to cut through the wires when mowing the lawn.

She loved being outside – perhaps a result of walks she and her siblings and cousins would take with their grandad – a love she shared with her children, who remember family picnics at Dovedale and Tissington splash, and with her grandchildren in their walks down to the brook.

Jill liked to share what she grew and made – the WI made robins last Christmas and she got a second kit so she could make one with Katy; I have her rhubarb in my garden, she made our WI president a cake for her 70th birthday. She made and kept many friends from primary schooldays onwards. She was kind and she was caring.

She hardly ever had a holiday but it didn't bother her - she was happy with her lot in life – caring for family, serving in her community and showing her interest in people by helping where she could, whenever she could. She will be greatly missed.

Jill Charlesworth passed away on 21st March 2017.

KNIVETON

WI

Our April AGM began with moments of reflection for our dear friend Jill Charlesworth who will be sadly missed. She had been a member of our WI for more than 30 years. After the business was discussed we enjoyed a social evening.

The May meeting was given to us by our own Barbara and her son Phillip who showed us the best way to prepare and plant up hanging baskets and tubs. They brought along lots of lovely bedding plants, hanging baskets and tubs and also some very cute novelty Bill and Ben pot holders (Phil makes), all at very reasonable prices. Barbara also told us how she became interested in planting as a young girl working alongside her father, who used to show his plants, and when she married she started growing her own bedding plants. We had a lovely evening and left with our achievements.

UPDATE ON RESOLVING THE B5035 SPEEDING ISSUES

Speeding incidents

As requested by the parish council, another flow meter speed check has been carried out. When the results have been analysed, we will know if the various measures which have been introduced have been effective, or if more needs to be done. In particular, we hope to be able to tell if the removal of the white lines and cats' eyes has had the desired effect. The parish council will then decide if it is sensible to ask for their re-instatement. Any views which residents have on this will continue to be very welcome.

Village signs

These are now installed and look great. We hope that they contribute to the perception of entering a village where a fast speed is not appropriate.

30mph school safety zone

This is now in place and working well.

Interactive speed signs

(signs which tell drivers the speed at which they are travelling)

The parish council will review the need for these when it has the results of the flow meter speed check. It is possible that the attitude of the county council will change.

As usual, do report any speeding issues and ideas for resolving them to any member of the parish council.

IZZY DEMONSTRATES RIDING SKILLS TO THE QUEEN

On Thursday 25th May, Her Majesty The Queen visited Eland Lodge Equestrian Centre near Ashbourne,

Her Majesty watched a small team of riders chasing around the extensive cross country course. Riding the course were four local Pony Club members including Kniveton resident Izzy Mead from the Meynell Hunt Branch of The Pony Club. Once the demonstration was complete, the riders were presented to the Queen.

Izzy said: "I was really nervous but so excited to ride for The Queen. All the horses were brilliant and I'm really proud of my horse Cracker! It was an amazing experience to meet The Queen."

Dear Ladies and Gentlemen,

My name is Wilfried Ramsaier and I'm a violin maker in Vienna. In my shop I have a Viola (*photos opposite*) and the label inside the instrument says that Will Beard in Kniveton is the maker. He was a joiner and wheel wright.

In all my books about violinmaking is known nothing about this maker.

Googling, I found this name in an article written by John Hartle in the Kniveton News June-July 2010.

May I ask if there is anything known about this person in Kniveton? Is there anyone in Kniveton who can help me with any information.

Yours sincerely

*Wilfried Ramsaier-Gorbach
Violin Maker
Vienna*

Wilfried in his Viennese Workshop

A few days ago we had an email at Kniveton News (see left) which left me intrigued....

I had heard of William (Bill) Beard as my grandfather, Bob Goodall, had often told me stories about him. I also remember an old black and white photo of him with a very impressive beard and had often assumed Mr Beard was a nick-name - it wasn't.

I knew of Bill as a carpenter, cabinet maker and wheelwright and that he owned the wood-yard at the bottom of The Hillocks. What I didn't recall was that he was an instrument maker as well. If I had heard that, then I must have assumed that it was a hobby or I never made the connection that it was "*musical!*" instruments.

So I phoned John Hartle (whose article Wilfried had found on Google) and Pat (his wife - my aunt and formally of this parish) confirmed that Bill had indeed been an instrument maker. I quickly replied to Wilfried to tell him the news: Will Beard of Kniveton, Derbyshire had, indeed, been an instrument maker and sent him a few internet links to local history pages that mentioned him.

Wilfried, replied saying the viola had been bought by him some years ago from a gentleman who had played it for many years at the world renowned Vienna State Opera.

If anybody can help Wilfried in his research about Will Beard - particularly about his instrument making - then I would love to hear from you. Contact details are the same as Kniveton News and I will gladly pass on any information on to Wilfried.

Derbyshire connect

Derbyshire Connect was launched in February to provide journeys between villages to the north, east and west of Ashbourne, up to and including the Wirksworth area. Derbyshire Connect is a bookable rather than turn up and go service.

Passengers need to book between one week and up to two hours in advance. This means that everyone's pick up and drop off points can be considered so routes and timings can be planned.

It is the first time a service of this kind has been run in Derbyshire.

The service runs six days a week. Between 7am to 6pm Monday to Friday and from 8am to 6pm on Saturday. There is no Sunday service.

Derbyshire Connect is for any kind of passenger, of any age and for any type of journey. It can also be used to connect to conventional, timetabled bus

services for passengers wanting to travel further afield.

A leaflet with details of the buses operating area can be picked up from Ashbourne and Wirksworth Libraries, Ashbourne Leisure Centre, St Oswald's Hospital, Ashbourne and Ashbourne Medical Centre.

The bus is fully accessible for wheelchairs, plus it has room for bikes and buggies. Dogs can also be carried.

Journeys can be booked by email at bookings@derbyshireconnect.org.uk or by calling 01335 342951.

Fares are £3.80 adult return while Gold Card holders travel free after 9.30am weekdays and free anytime on Saturday. Group bookings can be made with fares chargeable at the appropriate individual rate.

Derbyshire Connect is currently being run as a trial for up to a year and if successful could be rolled out to other rural parts of the county.

School Concert

Kniveton School are pleased to invite the pensioners in the village to the dress rehearsal of our school concert.

The concert performed by Years 3,4,5 & 6 takes place on Monday 10th July at 1.30pm.

If anybody wishes to attend they just need to phone Lynn on 01335 342573

VACANCY

Kniveton Primary School has a vacancy for a Clerk to Governors.

This position requires attendance of 6 evening meetings per year and meticulous maintenance of records. The pay is approximately £84 per month and training is available.

For further information, please contact Headteacher, Mrs Lynn Board on 01335 342573.

Summer Fair

Friends of Kniveton School would like to announce the Summer Fair that is on Saturday 24th June from 2-6pm.

Everyone is warmly welcomed to come along.

The 2017 OVO Energy Women's Tour runs from June 7th to 11th, and Saturday 10th June sees Stage 4 of this year's tour - a loop in and around Chesterfield and Derbyshire as the peloton tackle the Peak District and will pass close to Kniveton.

The tour will travel from Middleton along the B5035 to the Knockerdown pub where it will turn left towards Carsington Water.

The lead cars are expected to arrive at the Knockerdown at approximately 11.22am and the main peloton to have passed by 11.42am. The tour then continues towards Kirk Ireton and on to Belper and the finish line in Chesterfield.

It is likely that there will be some traffic disruption in the area. For more details, including the route and ETAs, visit www.womenstour.co.uk

KNIVETON CHAPEL NEWS

As I write this Chapel News report, there have only been two services in the chapel (with another to come on 28th May) due to the service on the 14th May having been held in the main church in Ashbourne.

This was a circuit service, i.e. all the village chapels met together for a 'special' which was dedicated to women's section, Women of Britain and Ireland. This is held annually and celebrates the contribution made by women in the service of the world church. This year was extra special, as it also recognised the dedication and service given by two of our local preachers, Tim Dutton and Ann Parkinson. Tim has been Local Preacher for 25 years and Ann for 40 years. Both were presented with long service certificates, and earned the thanks from us all. We can't overstate the contribution our local preachers give to the worship throughout the circuit, and many of you reading this report will remember Tim (Dutton) and Anne from Kniveton services, and of course Anne is now one of our chapel members.

23rd July is the date when we will celebrate our annual anniversary, always a special occasion for us. This year we have invited Mr Jim Titterton from Tissington. Some of you may know him. Do join us.

At our Circuit Meeting, held last month, we were given details of a new project in

the process of being set up. This is 'Lowberdale Farm', an initiative which will enable young people and children to engage in a farm environment. The project is being set up of the farm of the family of John Lowe, dec. and will use the hands-on experience of tending to the animals to gain an enhanced perspective of life in the countryside. The farm runs 500 breeding sheep and 30 cattle, and is situated in Beresford Dale. The 'setting up' group are working towards developing it as a charity. If anyone would like more details please ask me and I will send a leaflet, or contact Mark Lowe direct, on markjlowe@hotmail.com, or the Peak Park Rural Development Enabler on peakpark@sheffieldmethodist.org. I hope to report more of this in future issues. Volunteers and visitors welcome, particularly those with relevant skills.

We'd like to thank all the locals who came to see Penny Diamond as Blondie. You all helped to make it a great success and we will be planning more nights like it in the future.

We also would like to thank all those villagers who came to our first Tapas night in April.

The Tapas menu is still available at lunch times and we are planning another night soon - keep an eye out on Facebook for details - we are sure it will be another great night!!

As the weather improves our beer garden is now fully open again. We are now serving Sharp's Doom Bar alongside guest beers from local breweries such as Blue Monkey, Peak Ales and Hartington.

Father's Day (Sunday 18th June) is fast approaching and we are taking bookings for it. It will be our usual prices for the courses. Make sure you book to ensure you are able to dine with us.

You can either ring us on 01335 345554 or email us at theredlionkniveton@outlook.com.

We look forward to hearing from you.

Many thanks,

BELPER SKITTLES LEAGUE

sponsored by J.C.BALLS & SONS

There are currently differing fortunes for the two Red Lion Skittles teams; The Red Lion A team are enjoying a good run of form that sees them lead the table, The Red Lion B team have suffered from being on the losing side of some very tight legs and are struggling a little at the foot of the table (though they do have a game in hand over other teams above them). Thursday 1st June sees the two Red Lion teams meet head-to-head for the first time this season...

Ashbourne Cricket Club is based at the recreation ground in the historic town of Ashbourne.

We're a friendly club and welcome anyone who wants to take an active part in our success. We are actively developing the club and for the 2017 season we will be running 2 senior teams in the Derbyshire County Cricket League as well as 4 Junior sides in the Notts & Derby Border Youth League at under 11, under 12 and under 13 age groups.

Have you got energy and enthusiasm for this amazing game? Would you like to learn how cricket can build confidence, fitness, teamwork, and respect?

Our outdoor nets sessions for Seniors (15+) are on a Tuesday evening 6.30pm to 8pm on The Recreation Ground, Ashbourne. The practice sessions for the Juniors are on Sunday mornings between 10am - 11.30am.

If you want to get involved please contact the Chairman - David Wood 07917 071 520.

We look forward to hearing from you!!!

The Get Together Club

Hoggs Bistro in Breaston for Afternoon Tea on 13th April was lovely. It wasn't too far to travel and they made us so welcome. The food was delicious. We will definitely return.

17th April we were off to Eastbourne. Although the weather was a bit cold it did not rain so we were able to get out every day. The hotel was good and everyone was relaxed and enjoyed themselves. We spent Tuesday and Thursday around Eastbourne but on Wednesday we had a day trip to Brighton. Most of us spent the day either on the Pier or in the Lanes looking at the unique shops.

Five of us decided to visit the hotel where the IRA bombed during the Conservative Conference in the 80's, It's now The Grand and they invited us in and gave us a guided tour including the room where the bomb went off. They even let Harvey (Liz & Ray's dog in to look). It was extremely interesting looking at how they have put it all back together again.

We have a day trip to Lytham St Anne's on 13th July and anyone can join us. Just let Liz know you are coming. It is £20 per person.

By popular demand we are going back to The Arlington Hotel in Bournemouth for Turkey and Tinsel on 27th November to 1st December. Last year this was excellent so we have decided to repeat and take in the Christmas markets this time. As always if you would like to join us please ring Liz, you will be very welcome.

Our trip to Scotland is now fully booked.

Our programme for the next few months is as follows:-

- | | | |
|-------------|---|-------------------------------|
| 8th June | - | Lunch at The Parks, Uttoxeter |
| 13th July | - | A day in Lytham St Anne's |
| 10th August | - | Afternoon Tea at Marsh Farm |

If you are interested in any of our meetings or would like a copy of the programme please contact Liz (346078) email: liz.howe1579@btinternet.com
