KNIVETON'S ONLY NEWSPAPER

JUNE - JULY 2018

Four times a year the Ashbourne & District sub-branch of Derby CAMRA vote on a "Pub of the Season". In spring 2018 this accolade was awarded to Chris and Kievah at The Red Lion in Kniveton. The award recognises the range and quality of their real ales, their support of local breweries and cider makers and their efforts to make the pub a hub of the community. Their certificate was presented by Hannah Barton (an Ashbourne Branch member).

ALIENS LAND ON THE MADGE

Confused campers claim "There's a spaceship on the hill"

It has happened more than once, so we thought we'd explain what the spaceship like structure on the Madge is.

It is in reality the Trent VOR/DME - a beacon used by aircraft for navigation. It consists of two radio beacons, placed together, a VHF omnidirectional range (VOR) and distance measuring equipment (DME). VOR produces an angle between the station and the receiver in the aircraft, while DME does the same for range. Together, they provide the two measurements needed to produce a navigational "fix" using a chart.

Friends Of Kniveton School

Kniveton Parish Council

The Parish Council held its Annual General Meeting (AGM) on met on 8 May 2018.

Councillor Rhoda Bartlett was appointed as Chairman and Councillor Liz Howe as Vice Chair. The Council approved the following policies:

- Standing Orders
- Financial Regulations
- Equal Opportunities
- Freedom of Information
- Code of Conduct
- Scheme of Delegation
- S137 Policy
- Social Media and Electronic Communication Policy

Following the AGM the Parish Council meeting discussed the following agenda items:

Planters

The Council are to arrange for floral planters outside the village hall and on the opposite side of the B5035

Finance

Payments and balances were presented and approved. The papers for the annual audit have been finalised by the Clerk and will be submitted for internal audit.

Potholes

You have all noticed the pot holes around the village and the Council urges you to report these so the County Council fix them. (details on how to do this below)

Footpaths

FP38 - the Council are to purchase 2 warning signs (yellow with black writing) and agreed the following wording:

1. Warning – Boggy Ground and Steep Bank
2. Warning – Steep Slope and Boggy Ground

Speed Survey

Another survey was carried out by Derbyshire County Council in April 2018. They have accepted that the 2017 results were incorrect so the Parish Council compared the latest results with those of 2016. They show a significant decrease in speed in the middle and top of the B5035. However, the results for the Hillocks showed more than double the number of vehicles travelling over 30mph.

General Data Protection Regulations

GDPR come into effect 25 May 2018 and this has meant the Council has been required to develop new policies and privacy notices to comply. The Council have adopted the following:

- Retention Policy
- Privacy Notice
- General Privacy Notice
- Email Contact Privacy Statement
- Information Security Policy
- Information Protection Policy

Playing Field Drainage

One quote has been received and another being acquired, with the works being carried out in the summer school holiday.

The bad weather over winter has taken its toll on our roads and you will all have noticed the pot holes around the village and the Parish Council urges you to report these so the County Council fix them. Once reported the pothole will be assigned a reference number that can be used to monitor any reported .

You can do this by telephone by dialing 01629 533190 and choosing option 4

Kniveton Parish Council

At the Annual Parish meeting 8 May Councillor Barnett presented her Chairman's report:

This year has been extremely busy with events and developments in our village. Once again, many social activities have brought people together throughout the year.

Welcome

The Parish Council welcomed a new Parish Councillor, Howard Nelson, who has proven to be a conscientious councillor supporting our village the best he can.

Public Participation

The Parish Council is very proud to represent the village and extremely grateful to all the residents who attend our meetings. Sharing their views helps the Council make balanced decisions.

Road Safety

The village had the large, welcoming signs erected at either end of the village, as part of the ongoing campaign to reduce speeding on the B5035.

Following much discussion with residents it was agreed not to re-install the white lines and cats' eyes.

The Community Speed watch scheme carried out by village residents and the Police Community Support Officer resulted in drivers whose speed exceeds the limit being sent warning letters. Speed surveys by the county council were also carried out, with mixed results. A 20-mph speed limit outside the school was set up.

The Council is discussing with the Church whether to install reflectors on the church wall to enhance road safety in foggy conditions.

Defibrillator

Mr Elliott Frampton gave several demonstrations of the procedure for operating a defibrillator and these were well received.

Grants

The Parish Council supported local activities and initiatives throughout the year awarding grants to the Kniveton Newsletter, the Get Together Club and Churchyard mowing.

Social Media

The Parish Council set up its own Facebook page – please check it out and like it next time you log on to Facebook

THANKS.....

To Rob Kinsey for his drawing of the church that is on our new village signs.

To Elliot Frampton for ensuring the village residents know how to use the defibrillator.

The Get Together Club

On 12th April we set off for Bletchley Park near Milton Keynes. This was a really interesting trip enjoyed by many.

We welcomed one or two guests on this trip and I think they thoroughly enjoyed the day as they have booked to come to Beverley with us on 14th June. Bletchley was a very interesting place but one day is not really long enough to take it all in.

Our trip on 10th May was to Merchants Yard in Tideswell. The dining room had only been open for one week so we were very lucky to enjoy all the nice new features of the place. The meal was really good and there were lots of little extras included.

Everyone is always welcome to join us and you can pick which trips you like. Trips for the following 3 months are as follows:-

14th June - A day trip to Beverley, Yorkshire

12th July - Mercia Marina, Willington

9th August - Afternoon Tea at Callow Hall

If you are interested in any of the above please contact Liz Howe (346078) Margaret Marriott (346413) or Pauline Pilkington (300088).

If you would like any further details or a copy of this year's programme please contact Liz (346078) email: liz.howe1579@btinternet.com

On Sunday 15th April it was the Celebration service for the centenary year of the Derbyshire Federation of the WI, held in Derby Cathedral. It was a lovely service and our own member, June Lomas did the address.

April was our AGM and Judy Stanhope Derbyshire Trustee Representative spoke about the beginning of Derbyshire WI, starting in Ashover. Lois Wilks, Group Coordinator also attended.

After all the formal business had taken place we were treated to a very interesting talk by Cathy McAteer about "Inspiring Women of Russia". Considering how the role of women in Russia was extremely limited to say the least, its amazing any women managed to achieve greatness. Nevertheless it was a fascinating talk. Cathy does guided tours in Russia and a couple of our ladies are going along on one of her tours next year.

Last week at our May meeting our member Barbara and her son Phillip brought along a good variety of healthy bedding plants, hanging baskets and tubs for us to plant up and take home to grace our gardens. The evening seemed to go far too quickly as we were having so much fun and there wasn't too much mess to clean up at the end of the night!

June 20th we are holding our meeting in the afternoon to have a tour of Tissington Hall and gardens starting at 2pm. July 18th it's our garden party starting at 7.30pm as usual.

Kath,

Pamper and Prosecco Nights

On Thursday 26th April I hosted my Launch Pamper and Prosecco Night as a Tropic Ambassador and was overwhelmed by the support from my lovely friends and neighbours in the village! We had a fabulous night of Pampering, not to mention enormous amounts of Prosecco! Kievah and June were brave enough to let me trial my facials on them! Foot spas and face masks were also on the menu! Tropic products are vegan, and cruelty free. The ingredients are completely natural and contain no chemicals whatsoever!

It was such good fun I thought I'd do it all again!! Please join me on Thursday 28th June from 7pm for a Pimms and Pamper Experience! Anyone brave enough to let me do their make-up? I now have the make-up kit to try!

Everyone is welcome just let me know if you can make it! I don't want to run out of Pimms or Prosecco! If you are interested in finding out more or would like to try out the products yourself at home contact me, Angela Shipley, on 01335 344520 or 07880793586.

Rental apartments to let at The Ketch and Function room to hire!

Call in to say hello , have a drink, a bite to eat and take a look.

Our Sunday roasts are very popular so if you want to eat with us on a Sunday, please do call us to book on 01335 347470 or email us via the website www.theketchkniveton.co.uk

This term, class 2 have been learning about what different people believe about God.

Here are some of their thoughts:

No one has been in an interview with God so no one knows who he is or where he came from. We don't know if God is a he or a she, but most people think that God is a he because Jesus says 'My father, who art in heaven.'

God might be like a shepherd and we are his sheep or like a friend that you can trust. Maybe God is everywhere, always around to help you in your most needed hour.

Who is He? No one knows. He is in everyone. Does he live at church or in the sky? Maybe at the core of the earth or in outer space? Is he a mortal who lives for ever?

God to me is an angel who lives in heaven, who speaks to people in their sleep giving them ideas or dreams. Maybe it is just my imagination? Maybe God is everything.

Ellie

God is kind and listens. He is someone you can trust and confide in. God is understanding; he doesn't believe that just because you're a different colour or believe in a different religion, you should be shouted at or made fun of. God is and must also be creative to create the world and everything in it.

Florence W

I don't think that God is real but I think that the gods like Zeus are real. Some people think that God is a saviour. Some people think that God is a magical person. Some people think that God is a friend. Some people think that God is like a king or queen.

Ben

God is a friend. God is magical. God is our leader. God helps us if we have a problem. God looks after us.

Rory

I think God is.....

A friend because you can talk to God when you want to

A spirit because God is always there

A king because God rules the world

A shepherd because God looks after us

A father because God looks after us like a father would.

Izzy

God is a kind man.

God is all around us.

God is a friend to all.

God forgives us if we do something wrong.

God is the light of the world.

God is a star that shines down on us.

Rhiley

God is like air because he is all around us. God created our world. God is a friend to us because we can talk to him or her. He or she shows us the right way.

God is powerful because he or she created the world. There is only one God.

Khadija

I think that God is a friend. If you are sad he makes you happy. If you are angry he cheers you up. God is powerful. God is everywhere and he cares about everyone. God is our father and he helps us to be kind. We can tell God anything. God makes us determined and he helps us not to be mean, ungrateful or selfish. God is our light.

Evie

God is what you want him to be.

God is protective.

God is strong.

God is everywhere.

God is our shepherd.

God is a friend- you can tell him your secrets.

God is the sky.

God is in you- he is like a spirit.

God is love- he loves you and always forgives you.

God is an inspiration- he brings happiness to everyone.

KNIVETON NEWS FUNDING

Kniveton News is produced, edited and distributed by volunteers who give their time and resources for free, however, there are printing costs involved that need to be covered each issue.

The Kniveton Parish Council grant and contributions from other organisations help enormously to cover these costs.

Following grant funding from KPC and DDDC during 2017/18 the Newsletter ran at a surplus and now has enough funds to be produced throughout the 2018/19 year.

Thank you to all those involved
